History of Rowan County. BY REV. J. RUMPLE.

Copies of this interesting book may be had of T. F. KLUTTZ, THEO. BUERBAUM, or at the WATCHMAN Office.

Is there any particular reason why the street lamps should not be lighted these dark nights? The streets are in bad condition-very little better than the road. It is very annoying to plunge into a street crossing-the pedestrian is sure to get the worst of it.

Two negroes amused themselves one day last week by killing one of Lanier's finest hogs. They were caught skinning it. One of the men now rests in limbo. These petty threves should be dealt with in a lively man per.

The time of year has arrived when our subscribers should send in their subscriptions. We know of a certainty that money is scarce, but this excuse will not justify delinquents in depriving us of our

Prof. A. W. Owen informs us that a a recent discussion, near Amity Hill, between debaters representing Rowan and Iredell, the Rowan champions won their side of the question, viz: "That money has a greater influence than women over men." Where is Rogers ?

The Statesville Lankmark knows very well that we attempted no explanation in the matter between itself and this paper. The explanation and apology is due from it first; being withheld, we are not in position to offer anything further.

AAMANACS .- Turner's, by Mr. J. H Ennis has become well established and growing in public favor.

wives sow their garden seeds and set

Railroads have reduced rates to Atlanta in order to enable all who wish, to visit the great Exposition. A party of 50 may go from Salisbury and return for \$6.25 great deal at small expense.

John D. Gaskill and his mule-This is how it was. You see John wanted to sell that mule, so he put a line in the business local column to that effect, just for one time. He sold the mule in less than a day. But the printer forgot to take ried in the family plat in Salisbury Cemthat the out; so eve y day there was folks coming to see about that male. John says he earld have sold 93 mules and an ox and a calf, if he had had them. This is a simple lesson of how advertising

Mr. J. S. McCubbins has cleared and ditched "the cane break," and will have a cornfield there next year. Thanks for the destruction of a magazine of malaria. But the boys who have been getting fishing poles there for years have no thanks, sure.

THANKS .- We are requested by the elders of the Presbyterian church to express payment delayed 12 months 2 50 gratitude to members of other denominations and citizens, for their friendly aid MINING PROPERTY.—Persons having in giving accommodation to members of perty. pining property to sell would do well to Synod during the recent session of that body in this town. Our visitors left us with a lively sense of the handsome treatment they received while here.

> Musical. - Prof. Evans' vocal class will meet at 7 o'clock, this evening in mining stocks at present-holders feel as if the Hall of the Y. M.C. Association, over on the verge of some big explosion. The Kluttz' Drug Store. This is a meeting depression is general. The next 30 days to which all are invited. Practical illustrations of his method in vocal training will be given. Ladies, and all who sing are especially requested to be present.

The first regular lesson in the course will be given on Friday night.

A crippled darkey made the rounds of the town Monday, asking alms. He has been a severe sufferer from rheumatism, having his right foot and leg drawn up in a knot behind. It is not only entirely 02901. For the year, including October: useless, but a very disfiguring object. But \$16,302,173 62. Dr. John Whitehead has been suffer- with the aid of a crutch and cane he gets about freely. He is from Wayne county -has no home, but lives on voluntary charity.

"ENGLISH ELM."-We have a shade tree of this name which differs distinctly from all other varieties of Elm set for that they have cut through several veins This is a healty county, and the truth shade. It is the first to bud and put of it is demonstrated by the fact that forth leaves in the spring by at least two being the cliff in Mountain Island. there are only 26 doctors practicing in weeks, and the last to shed its leaves in the fall. Any one interested on the subject may see two of them in the yard of The music at the Presbyterian church Mrs. Boyden, near the pavement. The was much improved during the sitting of leaves are larger and slightly crimpped : Synod, by the assistance of Dr. J. F. the limbs grow thicker on the trunk and seem less liable to split off in sleets or storms. The shalle is denser, and alto-Tom Henderson, col., has gotten off gether, for that purpose, the tree is most with 86 hands. They are to be employed desirable. It is, on this the 9th of Novemnear Charleston, S. C., in the Phosphate | ber, as green and fresh as in July, whilst the leaves of other varieties are on the above. ground.

Among our Advertisers.

T. K. BRUNER, MANAGER.

Advertise your mineral lands in the

mining ad column. We are almost daily in receipt of letters enquiring for good mining property. Those who have property for sale should

advertise with us, so that we could refer to them when enquiry is made for pro-Why do we not get the Daily Stock

Report regularly ? Does the fault lay in the mailing, or is lost on the way ?

There is a misty gloom overspreading will tell a tale.

An advertiser in the Mining Record wants a gold mine in this State. The mine must be in operation, and paying a fair profit to present owners. This is a chauce. There are several properties near here tha would fill the bill.

Bullion Receipts, reported at New York for the month of October: \$1,691,-

The receipts in San Francisco for the months of September and October, are reported at \$1,621,595 74.

Capt. J. A. Ramsay, C. E., tells that in the work now progressing on the Paint Rock branch of the Western N. C. R. R. of quartz, which carry gold. This point

THE ALLEN-ALIAS-LAYLOR-Situated near Thomasville is progressingsinking a new shaft. They are down in deepest shaft, 104 feet, and in No. 2, 28 feet. They have pumps, engines and boilers, and three chillian mills.

There is a suit pending which will settle the name. One party calls it the Allen and the other the Laylor. We cannot take sides, therefore style it as

BEAVER DAM GOLD MINING CO .- The last of their machinery bas arrived and they will commence running the first week in November. Mrs. Garfield will retain the interest held by her husband in this mine, and should operations at R. J. Holmes, calls attention to his mine prove as now anticipated she will ing dwelling houses.

Klan Mine.

Mr. J. J. Newman has just shown us a map of the above named mine, in this county. The property lies in the gold regions and from the description seen in the adverting column, must be very

He also showed us a map of the Parker mine, in Stanly, county. This property adjoins the Crowell, and is very rich in placer gold-Nuggets from 1 dwt. to 6 pounds have been taken from this mine.

A careful canvass of the mining interests of Chicago shows that the majority of the heavier business men of that city which has become a great mining centre, are more or less owners of mines and

have been discovered in the Yellowstone Park, Wyoming. The deepest is 25 feet. They also are the work of the tace of the stone age, for at the bottom of thes shafts were found stone hammers and

At the Atlanta Exposition there are ores and joins both. The Randolph and Bernof gold from many mines in Georgia, Vifginia, North Carolina, etc. From the last place for about three miles; has many named State there are copper ores, masses of great size and richness; refined copper, in ingots and plates; lead and silver ores; iron ores from many mines; corundum, marbles, soapstones, mica in clear sheets a foot square; sandstones, flexible and otherwise; chrome iron; kaolin; jewels, amethyst, carringom, green and rose beryls, true saphyires, zircons, etc., including fine specimens of the newly found gem, Hiddenite, which rivals the diamond. Those enumerated are all from North Carolina, and contained in the exhibit of the Richmond & Danville R. R. Company, which, besides samples of the wealth of that State embraces products, too many to enumerate, of other States traveresed by its system of railways. In that company's exhibit may be seen some \$7,000 worth of gold nuggets, besides bars of retorted gold of weights from 33 to 58 ounces, and a single mass of gold of the value of \$3,300 in the quartz that forms its matrix. The display of woods in the rough and worked in the same exhibit, is very large and fine .-

DIED.

In this county, Miss MINERVA B. SLOAN, in the twenty-sixth year of her age. For some time before her death, she became aware that soon she must fall a victim to the fatal disease consumption. When convinced of this, she expressed a firm faith in the Saviour and no fear of the last great enemy. And while we mourn what we may call a premature death, yet we "sorrow not for her as those who have no hope."

"There is a world above. Where parting is unknown: A long eternity of love, Formed for the good above; And faith beholds the dying here, Translated to that glorious sphere.

Senators Hampton, Morgan, Brown and Slater took a tilt at an old-fashioned spinning wheel at the Atlanta exposition last Saturday. The contest closed with Brown as champion. He had not entirely forgotten his early education .-
