Carolina Watchman.

THURSDAY, JANUARY 25, 1883.

Some of the Democrats of the State seem to be weakening on the subject of repealing the internal revenue system, chiefly on the ground that the striking off of \$150,000,000 revenue from this source will necessitate the retention of the tariff system on importations, which it is contended, is more oppressive than the in-ternal revenue system. For our own part we stand by our convictions that the facilities they possess for starting a first-class brick yard. part we stand by our convictions that the repeal of the internal revenue laws is the Asheville and Charlotte will be contesfirst and most important step towards a remodeling of the whole system of raising funds for the government. We believe it is wrong in principle to tax the products paving to win this game. of one man and let those of another go free. If the making of whiskey and the raising of tobacco is an evil, denounce them as illegal commodities and exclude them from the usual protection as proper-

of government officers who trample under ber of the bur, and "a fellow of infinite foot the rights of citizens and abuse their jest and most excellent fancy." positions by corrupting the ballet bex and subverting the liberties of the people. This is a monstrous evil and should be dealt with without delay and before it think settles the question as to the authohas become established as a fixed part of ship of the piece : our system. We can better afford to wait the "Old North State," Hum. Jones, as for a general new arrangement than lose he was familiarly called, returning from the present opportunity to wipe out this a visit North, stopped for the night in blighting curse. Baltimore. Inclination led him to visit blighting carse.
