The additions being made to the old jail by Messrs. Bernhardt & Smithdeal. will furnish twice as much room as the original building contained. This, when completed, will give them ample room to manufacture from three to five hundred thousand pounds of leaf tobacco annually. Dr. Keen has the contract and is vigorously pushing the work.

Mr. James B. Lanier, who, a short time ago thought of closing his tobacco factory, has been induced to continue. His reason for suspending was that he did not have room to carry on the business in an extensive manner. Mr. M. L. Holmes who owns the factory building has determined to enlarge it to suit Mr. Lanier's wants. He proposes to manufacture three or four hundred thousand pounds annually.

Messrs. Payne & Lunn have been manufacturing between three and four hundred thousand pounds of leaf tobacco annually, for the past five years. They propose to keep this up, and add to their capacity as opportunity offers. Thus it appears that Salisbury will need for her own consumption, from a million to a million and two hundred thousand pounds of leaf tobacco annually. This point should be noted by farmers. They needs have no fear in bringing their leaf to the Salisbury market. And just here it is well to say that these factories have not yet bought half the stock needed for the coming season.

OBITUARY.

MRS. CATHARINE WILSON.

The death of Mrs. Catharine Wilson of this place.

The death of Mrs. Catharine Wilson creates another void in the ranks of our old and well known residents who are called home in quick succession. Mrs. Wilson was born at Alientown on Sept. 27, 1793, where her parents, who were among the first settlers of that place, Judge George and Christiana Rhoads, resided. She grew up to womanhood in her native town, and on March 27, 1818, was united in matrimony with John Wilson. After living in Alientown for a number of years, Mr. and Mrs. Wilson removed 30 Philadelphia, where they resided for several years. From that city they came to Bethlehem, where Mr. Wilson departed this life about twenty—one years ago. The union of Mr. and Mrs. Wilson was a long and happy one, and was blessed with ten children, of whom five survive, viz: Thomas Wilson and Mrs. Emily Rupp, of Philadelphia, and Mrs. W. W. Selfridge and Misses Kate and Ann Wilson of this place. There survive her also one sister, Mrs. Henrietta Frederick, in the 83d year of her age, Allentown, fourteen grandchildren and ten great grandchildren. During her residence of about twenty-two years in Bethlehem. sad year of her age, Alientown, fourteen grandchildren and ten great grandchildren. During her residence of about twenty-two years in Bethlehem, Mrs. Wilson made many friends. She was beloved by all who had the pleasure of her acquaintance. Blessed with a vigorous constitution, she was permitted to live to a ripe old age. She was an humble and devout Christian. When fifteen years of age she was admitted to the membership of the Reformed Church, of which denomination she has been a life long member. She attended services faithfully at Christ Reformed Church until the infirmatics of old age prevented. Peacefully she firmaties of old age prevented. Peacefully she passed away at 11:30 o'clock P.M. on Tuesday, April 3d. in the 90th year of her age.
