Carolina Watchman.

THURSDAY, JUNE 14, 1883.

The Republican Convention declared unqualifiedly in favor of a projective tariff and against the Wattersonian doctribe of "a tariff for revenue only." There is no ambiguity in the tariff resolution. the Chicago Trilline as follows : Its meaning is clear and unmistakable. "Two large barrels had previously been This strong indorsement of the American system, which has created and sustained unils had been driven into them from the been a blessing to workingmen; that it around and over the fire : Revolvers were has furnished the farmer a magnificent fired and firecrackers exploded. has furnished the farmer a magnificent home market for all the produce of his farm; that it has reduced the cost of hall. The cries of the imprisoned young living ; that it brings from the Old World | men could be heard above all the confusachually half a million laboring people ion. A constable demanded admission to share in our prosperity, and still hold to the hall, but was threatened with viowages far above the Enropean standard; barrels were finally rolled down the stairs that it nerves the arms of industry, gives and into the street. The heads were vital energy to all branches of trade and knocked in and the two students liberacommerce, and is an essential cause of ted. They were more dead than alive, the marvelons growth and development of the New World. The Convention's position on the tariff is unassailable. It re- threatened with revolvers and were ineratic party of Ohio, as a party, will assame. One thing is certain, if the leaders listen to the voice of the voters they will pronounce unequivocally for protec-

tion .- Cin. Times Star. The Times Star is speaking in the interest of that class of citizens in this country who have grown so rich and powerful under the operation of a protective tariff that they are now conspiring together to control the legislation of the country, and fasten upon the farming people a bondage which will hold them forever in that condition. The

reader will find in another column the views of Mr. Bayard and others who speak in very different words.

The Tariff Question. Barbarity. Some students at Syracuse, N. Y., re Fayetteville Olserver. solved on having some fun of an unheard of character, and thus proceeded :

They broke into the rooms of tw students and gagged and bound them, and took them to a neighboring village, where they procured a public hall for further proceedings, which is given by

convention. Last week we gave the sensible views of Mr. Wm. R. Morrison and our industries, and secured fair wages to outside, so that they protruded nearly an of Senator Butler on this subject. Since our industries, and secured fair wages to the laboring mun, will meet with the most cordial popular approval. The in-telligent masses in Ohio (and in all other States), Republicans and Democrats alike, know that the policy of protection has been inestimably beneficial; that it has "The more important the question the greater the necessity in dealing with it
