All we ask is a trial.

JOHN F. EAGLE,

Value of Cotton Stalks.

House door on Saturday the 2d day of June, 1883, at 3 o'clock, P. M., one 25-horse munication in the Picayune of that power return Tubular Boilers and one city setting forth the commercial consequence, has been able to treat 10x12 Centre Crank Engine with all fixtures value of the cotton stalk for the tex- her family to a watermelon super at tile fibre which may be obtained Christmas time. The plan is an insale on the property known as Jacob Gru- from it. Mr. S. says: "Twenty years expensive and simple one, and conpy's Agner Mine, five miles from Salisbury, ago I reminded the cotton planters of sists in giving the melon three or oining the lands of Tobias Kestler and Louisiana that the cotton stalks con. four coats of varnish to exclude the thers in Rowan county. Terms Cash. tained valuable fibres, that it was a air. She says they not only keep from fine material for manufacturing pur- decay but that the flavor and sweetposes, but no attention, as it would ness are retained, and when eaten at appear, was paid to my discovery Christmas or Now Year's the fruit of the wonderful cures of Sprains, Weak and information. I will now remind seems to be wonderfully improved in bosts of other diseases. Of course the vast them again that one acre of ground these particulars. will produce on an average, as is well known, two bales of cotton, weighing five hundred pounds each, which when sent to market brings ten cents a pound, giving for two bales \$100, whereas the stalk of the plant on the ought to commit to memory the folsame acre will yied from one to one lowing facts about the State, because and a half tons of fibre, if properly it is just such information as we have and rubber, and are vaunted in long windprepared would be found to be equal- frequent occasion to use : ly as fine as Manilla, and worth at any time, at the lowest calculation from \$120 to \$150 per ton.

Now the Accepted Time.

Jake Steinbergerhoff has a store on the Avenue. There was a fire two blocks below him, one night last week, that destroyed two buildings. During its progress, while the foreman of the fire department was getting a sore throat in his efforts to induce his subordinates to quit swearing at each other and take hold of the hose, Jake rushed up to a prominent insurance agent, who was watching the fire and said :

'Mr. Durner, you haf vanted me some dimes already to insure mine On Monday the 28th day of May next, I stock off dry goots, I was not brewill sell at the Court House door in Salis- bared, and I vants mine store insured right avay.'

'Call round in the morning, and belonging to the estate of Dawalt Lentz, we'll fix up the papers,' said the in-

de morning; vat goot vould it do TERMS OF SALE:—One third cash down as soon as the sale is confirmed and a credit me to insure doese goots to morrow of six and twelve months will be given on ven day be all burned up yet by dot the other two thirds with interest from day times. Don't you see dyse spharks of sale at 8 per cent. J. W. MAUNEY. Hy apout on top of dot dry goots Commissioner. stock of mine. Mine gracious, I vants dose broberties insured right avay; it vill be too late next morn-HEALTHCORSET ing, den I vill not vant any insurance already.'

The above, as related, actually occurreed, but Jake's store did not burn down, and Jake's "broberty" is still uninsured .- Texas Siftings.

ALLCOCK'S PLASTERS

GENUINE POROUS PLASTER.

ical study, and only time and experience has brought them to their present perfec

tion. Testimonials are received every day

sales and great success of ALLCOCK's POROUS

PLASTERS have caused numerous plasters

to be brought before the public which, be-

ing called porous, would give the world to

understand that they were a similar article

to the genuine. We would most particular

ly caution the public against these hum-

bugs. They contain none of the healing

gums that are used in Allcock's, but are

ed advertisements as an improvement on

the hazy and untrue statements and never

use any of these so-called porous frauds.

Allcock's Porous Plasters

Relieve Debility and Nervousness.

which is a continuation of the brain, im-

parting new vitality and power to the spine

they stregthen that mighty organ and fill

it full of foreign electricity or nervous fluid.

Thus they will restore to the busy active

brain of man or woman, the energy and

ability which has been lost by disease, wor

where there has been debility and nervous

ness, and prevent less of memory and pa-

ralysis. Physicians highly recommend them

dissipation or overwork. They are now

known to be the great regenerators of the
