### MINING.

T. K. BRUNER, MANAGER.

GOLD HILL. - The following is the result of the assay made by Prof. Thomas Price, of San Francisco, in his report on this property:

Ore from bottom of Randolph shaft, averages \$57. Six hundred foot level, \$458. Reservoir, \$290. Bernhardt shaft, \$219. Old Field, \$20.

Prof. Price is one of the most reliable favorable report on the mine has been made and sent to London to the directors; which no doubt will shortly kind, coming from a Californian, about North Carolina mines must and will have a salutary effect and will probably be the best thing that could have happened for North Carolina.

DUTCH CREEK .- The proprietors here are still sinking, and taking out ore daily;

At an annual meeting of the stockholders of the Dutch Creek Mining Company, held some few days since, J. J. Newman was elected President, Treasurer and General Manager; and Thos. K. Bruner, Secretary. The Board of Directors elected are as follows: J. J. Newman, presiis house last pight and died. It is sup- dent, M. L. Holmes, Kerr Craige, T. K. gross. Bruner, and W. N. Newman.

> LENTZ MILL.-A rich find has been made by prospecting on this property by Col. Davidson and Hon.-B. Wilson. The ore is said to be worth several hundred dollars per ton.

There are said to be two or three hundred New Englandera already in the eastern part of the State reconoitering the country with the view of making investments.
