BRANDRETH'S PILLS.

They are a vegetable tonic purgative, absolutely harmless under all circumstances. They never injure the weakest female or the youngest child. One box is a medicine chest sufficing for a whole family. Suppose you have diarrhœa; nature is making a great effort to get rid of some irritating matter in the stomremoves the matter and the disease is cured. In costiveness one good dose of Brandreth's Pills, followed by one pill every night for a week ortwo, make the human machinery run as regular us clock work. In bad colds, where the pores of the skin are closed and the insensible perspiration thrownupon the blood, poisoning the fountains of life and filling the nose, the throat and the lungs with choking mucus; seven Brandreth's Pills taken at night on an empty stomach, will restore the perspiration, break up the cold and purge away all the watery secretions that should have passed off by the skin. Best in the World.

Brandreth's Pills have stood the test of fortyfive years of use by the American people. They are entirely Vegetable. They are BLACKSMITHING AND absolutely universal, for there is no disease they will not cure, if taken in time. They are safe for infants and adults. They aim to accomplish three things: first, to purify the blood; second, to cleanse and regulate the stomach and bowels; third, to stimulate the kidneys and liver and purge away the ashes of the system and diseased matters of the body. Letter from a Gentlemen Ninety Years Old.-Long Life from Use of Brandreth's Pills,

PRAIRIE DU CHIEN, WIS., Feb. 11, 1882. I am in the ninetieth year of my eatrhly oilgrimage, and before passing to another, and trust, a better world, I wish to bear testimony to the great virtues of Brandreth's Pills as a household remedy. They are the best blood purifiers and cleansers of the stomach and bow els in the world. I have raised a family of 10 children, been blessed with three wives, and my lamily experience reaches over seventy years For over forty-five years' I have known and believed in Brandreth's Pills, They have cured me of indigestion, costiveness, dyspepsia; and the females of my family have found them invaluable at all times. I also wish to say that I have found ALLCOCK'S POROUS PLAS-TERS very useful in breast pains, backache him, and he died on the 1st inst. and weak muscles.
