The kidneys act as purifiers of the blood, and when their functions are interfered with through weakness, they need toning. They become healthfully active by the use of Hostetter's Stomach Bitters, when falling short of relief from other sources. This superb stimulating tonic also prevents and arrests fever and ague, constipation, liver complaint, dyspepsia, rheumatism and other aliments. Use it with regularity.

For Dyspepsia, Costiveness, Chronic Diarrhen, Jaundice, Impurity of the Mood, Fever and REGULARIST and all Diseases caused by Derangement of Liver, Bowels and Kidneys.

SYMPTOMS OF A DISEASED LIVER. Bad Breath; Pain in the Side, sometimes the pain is felt under the Shoulder-blade, mistaken for Rheumatism; general loss of appetite; Bowels generally costive, sometimes alternating with lax; the head is troubled with pain, is dull and heavy, with considerable loss of memory, accompanied with a painful sensation of leaving undone something which ought to have been done; a slight, dry cough and flushed face is sometimes an attendant, often mistaken for consumption; the patient complains of weariness and debility; nervous, easily startled; feet cold or burning, sometimes a prickly sensation of the skin exists; spirits are low and despondent, and, although satisfied that exercise would be beneficial, yet one can hardly summon up fortitude to try it—in fact, distrusts every remedy. Several try it—in fact, districts every remedy. Several of the above symptoms attend the disease, but cases have occurred when but few of them existed, yet examination after death has shown the Liver to have been extensively deranged.

It should be used by all persons, old and young, whenever any of the above symptoms appear.

Persons Traveling or Living in Unhealthy Localities, by taking a dose occasionally to keep the Liver in healthy action, will avoid all Malaria, Bilious attacks, Dizzness, Nausea, Drowsiness, Depression of Spirits, will invigorate like a glass of wine, but is no in-If You have caten anything hard of

For, whatever the aliment may be, a thoroughly safe purgative, alternitive and tonic can never be out of place. The ramedy is harmless and does not interfere with business or pleasure. IT IS PURELY VEGETABLE. And has all the power and efficacy of Colome! or Quinine, without any of the injurious after effects. A Governor's Testimony.

Simmons Liver Regulator has been in use in my family for some time, and I am satisfied it is a valuable addition to the medical science. J. GILL SHURTER, Governor of Ala. Hon. Alexander H. Stephens, of Ga., says: Have derived some benefit from the use of Simmons Liver Regulator, and wish to give it a further trial. "The only Thing that never fails to

Relieve."—I have used many remedies for Dyspepsia, Liver Affection and Debility, but never have found anything to benefit me to the extent Simmons Liver Regulator has. I sent from Minnesota to Georgia for it, and would send further for such a medicine, and would advise all who are similarly affected to give it a trial as it seems the only thing that never fails to relieve.

P. M. Janney, Minneapolis, Minn. Dr. T. W. Mason says: From actual experience in the use of Simmons Liver Regulator in my practice I have been and am satisfied to use

and prescribe it as a purgative medicane. Take only the Genuine, which always has on the Wrapper the red Z Trade-Mark and Signature of J. H. ZEILIN & CO. FOR SALE BY ALL DRUGGISTS
