"Cock and Bull Stories."

The people are so often gulled with such stories that they have become incredulous. The effects of B. B. in the cure of blood diseases, are so unmistable and wonderful that the proprietors are not compelled to cry "mineral poison," and thereby apo become popular. The broken columns and fallen arches of other remedies must be the result of inefficiency on their part, as B. B. can ride the waves triumphantly without imagining that all Cotto blood diseases are created by mineral poisons.

A STRUGGLE WITH A SHIRT.

Three hundred and sixty-five times each year every mother's son of us has a struggle getting into his shirt.

If a shirt is worth getting into, if it is strong and well made, sure not to rip or tear, perfect fitting, then there is some compensation for spending so much of our existence in such a struggle. You may wrestle with the DIAMOND, but with its everlastingstay-attachment and reinforced bosom, you will come out head first every time, covered with glory and with the best shirt in the land.
