KENDALL'S SPAVIN CURE.

Fremont, Ohio, Sept. 24, 1883. DR. B. J. KENDALL Co., Gentlemen-Having had an opportunity of seeing your "Treatise on the Horse" this Summer for the first time I was induced to try your Kendall's Spavin Cure on a valuable horse that had been lame since the first of April, from a bone Spavin. I had blistered it several times and concluded that my horse would never get over being lame. Five weeks ago to-day I commenced using Kendall's Spavin Cure and after using it three weeks the lameness entirely disappeared. It has been worth \$80.00 to me.

H. H. House. Mount Prairie, Minn., Sept. 24, 1882. DR. B. J. KENDALL Co., Gentlemen :ast Spring I had a valuable young horse that from some cause got a very large lump about half way on his shoulder and was very lame for a long time. I had the best horse doctors examine her, some called it one thing some another, one said the shoulder was broken but none could cure it. After I had tried the cure I went and bought one bottle of Kendall's Spavin Cure, I did not use one half of it before it was all smooth and clean. Lameness all gone to As a horse liniment it is invaluable.
