A TALE OF TWO CRUTCHES. A Well Known Citizen of Atlanta Lays Down his Crutches.

I have only a few words to say, which are to state that I have been confined to my bed for two months with what was called Nervous Rheumatism, or Sciatics. I was only enabled to hobble about occasionally by the use of crutches, and in this condition I commenced the use of B. B., four bottles of which enabled me to discard the use of my crutches and attend to business. I had previously used all well recommended medicines without relief. It has been over two months since using B. B. B., and I consider myself a permanently

Pieces of Bone.

For four years I have been afflicted with a very troublesome catarrh of the head. So terrible has its nature been that when I blew my nose small pieces of bones would frequently come out of my mouth and nose. The discharge was copious and at times exceedingly offensive. My blood became so impure that my general health was greatly impaired, with poor appetite and worse digential.

Numerous medicines were used without relief, until I began the use of B. B., and three bottles acted almost like magic. Since their use not a symptom has returned, and I feel in every way quite restored to health. sourch for the rare ones, has overlooked this fact. How many of us seeing the common Mullein plant in the old fields and waste places; the beautiful Sweet Gum tree bordering our swamps, have thought that in each there was a principle of the very highest medicinal virtue. It is true that the Cherokee Indiana knew of this years ago, but not until recently has it began to attract the atten-tion of the Medical world, and now the long forsaken Mullein plant ranks among the first, and all the medical journals are heralding its grand effects. In TAYLOR'S CHEROKEE REMEDY OF SWEET CHEA AND MULLED, the mullein tea is combined with the Sweet Gum, and by its use Consumptives are relieved and mothers made happy in curing their little ones of Croup and Whooping-
