SUMMERS, Rockbridge County, Va., Jan. 31, 1884.

Dear Sir,-I now furnish the following statements as to the cancerous sore on my hand and the cure pain and suffering with a cancer on my left hand the size of a silver dollar, I had tried many reme dies, and some of the best physicians had practiced on it, but it still grew larger, with sharp darting sains through my hand and shoulder. Last August the 25th, 1883, I tried Dr. A. G. Wollard, who practice on it has made a perfect cure of my hand, with two applications—one on the 25th of August and one on the 28th. It was five weeks from the time the Doctor put the medicine on my hand till the cancer came out, and about three months till it healed up. I write this hoping by so doing it may benefit some poor sufferer who may see this and call upon you and be healed—also may God in his mercy bless and defend you from all harm, and suffer you to live long, that you may bring health and piness to thousands of suffers, is the prayer of your grateful friend.

Respectfully yours, WM. G. CAMPBELL.

This is to certify that I had a cancer on the side of my face larger than a silver dollar, of ten years' standing, and treated by four of the best physicians in the country, and received no benefit; but, on the contrary, continued to grow worse. I suffered intense pain with it, and much uneasiness of mind. I applied to Dr. A. G. Wollard, of Richmond, and he undertook my case, and after six months' treatment by him, I was entirely well.
