his religion or politics, and will hold to ways lying with his head on or against probably die. it too, until a reasonable excuse for such the rail, and could not be seen in time change has been shown. Dr. York will, to stop the train. These are sad incidents, therefore, find it indispensably necessary but how can they be avoided? It is reto explain to the people whose votes he ported that whiskey was the cause of after a life-time devotion to the democratic party, during which time he said roads and put themselves in danger bemere hard things against scalawags republicans, revenue men and negroes, comes with inevitable certainty. than any other man in Western North Carolica, ne became, first, a "liberal," and then a "whole-hog" republican. It will be real funny to hear the Doctor giving in his experience on these several changes, especially with Gen. Scales to prompt him and refresh his memory Gen. Scales, like the white men of the South generally, has never been able to see any reason for changing his politics and will have no such explanations to make. We think it will be easier for the Doctor to-dance an Irish jig than to

MECKLENBURG. - There is a large number of candidates for the office of Sheriff in this county, and they are all said to be good men. Accepting these statements as exactly true, and taking into consideration that Mecklenburg only wants one note the prominence given to John Kelly easiest and best way to decide the question of choice will be for these men to entirely master of the situation, with all late for this week's paper. meet in Charlotte and decide it by lottery | the millions of democratics subject to his -drawing straws-the longest straw back and call, is a man to be feared,

explain away his Jim Crow hops.

crowd. These gentlemen can't be induced to adopt this plan if allowed one moment to "advise with their friends." "Friends" in such cases do more devilment than the candidates, who, as a general thing, "care very little for the effice themselves."

SHOULD WE LAUGH OR WEEP !-York declares in the presence of a large gathering of his Wilkes county friends that he is as good a democrat as ever! Are Blaine and Logan democrats? How can York support these rank radicals, together with the platform on which they stand, and yet be a democrat! One of two things is certain, to wit: York is either fooling himself or trying to fool deceive some of those Wilkes county men when he travels beyond the charmed gress in his present position, and will the Republican platform and offers them as incense en a democratic altar, he will raise a real polecat breeze.

that neither of the two great political whole abating in violence. parties of the country were willing in any way to identify themselves with a movement against it. The friends of prohibition had received no countenance

DISSOLUTION.

The firm heretofore existing under the name of Morgan & Bro., has been this day dissolved by mutual consent. J. M. Morgan will continue the business at the old stand. All persons indebted to the firm will come forward and settle their accounts at once. Morgan & Bro.

A CARD!

I take this method to return thanks to he public for the very liberal patronage bestowed upon us in the past. A complete stock of Cigars always on hand.

Very Respectfully, J. M. MORGAN.

MINN O'T Tax Notice!

I will attend at the Mayor's office in the listing the taxable property in said town. Will commence taking the list on Monday, from 3 to 6 p. m. daily.

All person living in or owing property in said town subject to taxation, are hereby notified to appear and make a true list of their poll and real and personal property during the time above specified. All persons failing to appear and make said list RICHARD EAMES, JR will be subject to all the penalties of the law, which will be rigidly enforced. You can also procure checks for your dogs at the same time and place. Get your check and save your dogs, as the proper officers are positively instructed to destroy those on which the tax has not been paid in accord ance with Ord. XX of the town laws.

P. N. SMITH, C. B. C. May 26th, 1884. 35:4t.

The undersigned having purchased the right of Rowan and IREDELL counties to this invaluable invention, has the pleasure to give notice that he is prepared to erect lines wherever required. He will warrant the instrument to do all that is promised for it; and in order that you may know some thing more definite of its capacity, and quality, please read the subjoined testimo-
