A TALE OF TWO CRUTCHES. A Well Known Citizen of Atlanta

Lays Down his Crutches. I have only a few words to say, which are to state that I have been confined to my bed for two months with what was called Nervous Rheumatism, or Sciatics. I was only enabled to hobble about occasionally by the use of crutches, and in this condition I commenced the use of B. B. B., four bottles of which enabled me to discard the use of my crutches and attend to business. I had previously used all well recommended medicines without relief. It has been over two months since using B. B. B., and I consider myself a permanently

Pieces of Bone. For four years I have been afflicted with a very troublesome catarrh of the head. So terrible has its nature been that when I blew my nose small pieces of bones would frequently come out of my mouth and nose. The discharge was copious and at times exceedingly offensive. My blood became so impure that my general health was greatly impaired, with poor appetite and worse digential. Numerous medicines were used without

relief, until I began the use of B. B. B., and three bottles acted almost like magic. Since their use not a symptom has returned, and I feel in every way quite restored to health. A Frightful Accident.

Sunday morning last as the people all over the land were wending their way to the various places of worship, a distressing scene was being enacted on Flat River, in this county. Mr. T. B. Ray and wife, of Person county, were on their way to Mt. Tabor church. In crossing the bridge over Flat River at Capt. Wm. Bowling's mill, the mule became frightened and backed off the bridge. At the point was some fifteen feet from the ground. Mr. and Mrs. Ray, the buggy and mule all went down in a heap on the rocks. Mrs. Ray died from the injuries in about an hour, and Mr. Ray was painfully though not fatally inured. A young gentleman was near by, saw the catastrophe, and ran to the rescue. He extricated the mule, got on him, and started for a physician, but had not gone more than one hundred yards when the mule fell dead. Mr. and Mrs. Ray are highly respected and the death of one and the serious injury of the other causes much sorrow in the entire community .- Tobucco Plant.

LITTLETON, N. C., Aug. 30.—Two factions of Halifax Republicans met here to-day and discussed politics from the Radical standpoint. They have two full sets of candidates in the field and the canvass promises to be warm. The feature of the day was a speech by D. Mc. Lindsay, the champion of civil and social rights, the "plumed knight" of the Holden-Kirk war, who was suggested as a proper man to "lose" Judge Kerr, Joe. Turner, Dr. Roan and others of Kirk's prisoners if turned over to him. He said to-day that he had at the opening of the campaign refused to endorse Dr. York because York would not come out squarely on the civil rights platform, but now since he stood on the Republican platform—civil rights and all-he was for York. "If York is not for civil rights then I am against York. All candidates in this campaign must declare for civil rights, free hotels, first-class cars; demand your rights anywhere and everywhere; don't vote for York or any other man who is not under the civil rights flag."
