Malarial Poison.

ROME, GA., May 23, 1882. In 1880 I came from the North to take charge of the gas works in Rome, as superintendent, and after the overflow, which occurred in the spring following, I was very much exposed to to malarial poison, and in 1882 found my blood so contaminated with the poison that I was forced to give up business. I was treated by the Rome physicians without relief, they advising me to go north, which I did. The doctors North told me that my only hope was to return to the milder climate, and them to me, on or before the 8th day of accordingly I came back to Rome, completely August, 1885, or this notice will be plead broken down and nearly a skeleton. My in bar of their recovery. trouble finally determined in an abcess of the liver, and nearly every one, (myself included) thought I was doomed to die within a few days. In this condition I was advised by a friend to take wift's Specific, and I took it just as a drowning man would catch at a straw, but as soon as my system got under the influence of the remedy, the abcess came to a point and burst, passing off without pain. In fifteen days after this I was up at my work, and have Unr Steck Constantly Replenished. tween half and two-thirds of which, it is since enjoyed excellent health.

Every one suffering from malarial poison should take Swift's Specific. C. G. SPENCER, Spu't. Rome Gas Light Co. Treatise on Blood and Skin diseases mailed The Swift Specific Co., Drawer 3, Atlanta,

Jordan added that the blaze was so great ONE BOTTLE INSTEAD OF A DOZEN. And it took only one bottle to do it, said a gentleman, speaking of Parker's Hair Balsam. I had a run of fever, and when I got well of that my hair began to fall so fast as to alarm me. I really didn't know what to do, until one day a friend said, 'Try Parker's Hair Balsam.' That was some months ago.. What surprised me was the fact that one bottle was
