OIL DISCOVERED BY SPIRITS .- An Oil City (Pa:) Hetter says: "A story is going the rounds of the press just now concerning one Abraham James, whose death in Oregon recalls it, and who, according to the story, was shown the prolific Pleasantville oil pool by spirits and by the aid of believers in spiritualism developed the pool in 1868. In this connection the Blizzard recalls the fact that two years later the spirits

showed James where to find oil near the mouth of Deer Creek, Clarian county. He started a well, and worked for two years at it, drilling through all the known sands, finally leaving behind him a dry hole 2,500 feet deep."

Now it is proposed that the State shall increase its elready sufficiently liberal appropriation to the University to \$25-. fellow who wants it. The next move will probably be for free clothing and free cigars to the students. That is not the best education which comes the
