Treatment for Toothache.

The popular Science News recommends that those sufferring from toothace would der or by excessive fatigue, a very hot bath will so soothe the nerves that sleep will naturally fellow, and upon getting up, the patient will feel very much refreshed and the toothace will be a thing of the past. For what is known as "jumping" toothace, hot dry flannel, applied to the face and neck is very effective. For common toothache, which is eaused by indigestion, or by strong, sweet acid, or anything very hot or cold in a decayed tooth, a little piece of eotton steeped in a strong camphor or oil of cloves is the best remedy.

A refreshing case of true loyalty is reported, the hero being Julius Brouker, the son of a German peasant, who came to America eight years ago to make his fortune, which being accomplished, he sent \$1,000 to the little peasant girl he loved on the old farm in the Faderland who at once came to New York, and moderate temperature for a very long being married the pair went on their way rejoicing to St. Paul, where Julius is Within the better kind of the great today a leading and prosperous man of business. May the course of their true ove ever run smooth .- News & Observer

"I tell you I shatl do as I please!" shouted Mrs. Miff. "Well, well, my dear, I didu't say you couldu't," replied Mr. Miff. "And you can't stop me!!" "I didn't say I could, my dear." "You'd better not try!!!" "Indeed, indeed, my dear, I won't." "That's just all such a brute cares about his wife!!!" And Mrs. Miff prepared to cry her eyes out.

A NEW METAL.—An immense ledge of white metal has been discovered in Antelope Valley, Mono county, Cal., the nature of which puzzles all mining experts to whom specimens have been submitted. The metal is fusible at first, but after the first time it yields to nothing except a mixture of acids. A pound of roca yields half a pound of the metal, and there are millions of tons in the plant. It

The Wilmington police have arrested large gang of colored women who have been systematically robbing stores in that city. Six women were in the gang. The Review says: "The houses occupied by these thieves are elegantly furnished in a style that would do credit to the residences of some of our wealthy citizens and the women themselves have disgust of others."

Newbern Journal: At Swansboro trout are cheap now, \$4.50 per hundred; eggs, 8 cents per dozen, sweet potatoes, 40 cents per bushel; clams, 25 cents per hat since he sat by our great big friend- about it, even if it is the squarest-toed, the tall tree, grasped in the arms of bushel; couchs, 10 cents per dozen; stone crabs, 50 cents per dozen, oysters, 25 cents per bushel (good ones, too;) corn, me a little higher grade of happiness the matter, and that's why I stopped sible to tear its roots from the earth. 70 cents per bushel; meal, 80 cents per
