FROM THF DISSECTING ROOM.

I have taken Swift's Specific for blood poison contracted at a medical college at a dissection, while I was a medical student. I am grateful to say that it gave me a speedy and a thorough cure after my parents had spent hundreds of dolars for treatment. My arm was swollen to twice its usual size, and as nothing helped me I was despairing of ever being cured. But hearing of the S. S. S. 1 bought a bottle little thinking I would derive any benefit from it, I began taking it regularly, and soon the swelling began Pens, 90, 3100; Oats, 45@50; Tallow, 7; Dry to go down and the arm ceased to pain Hides, 10; Rabbit fors, 00@00 ets per ine.
