A STUBBORN CASE OF SCROFULA

I have been afflicted with Scrofula from my infancy, and in consequence have always been a frail and delicate creature. I might truthfully say that I was raised chiefly on mercury and potash. These remedies for the time being would dry up the fearful ulcers, with which I suffered, but they would return with greater violence. I was the merest shadow as to form and person. My digestion was all deranged and my existence was most wretched. Everything that could be done, but no permahent benefit was derived. At last a great tumor came on my neck below the left ear. It increased in size until my head was forced to the right shoulder and in ter.

this ungainly and uncomfortable position, I was compelled to carry my head. The as long as life continued, and for many just ing. the suggestion of Colonel John Traylor I was induced to try Swift's Specific. My system responded to the medicine prompt ly, and I began to improve from almost the months keeping.
