MINING DEPARTMENT

T. K. BRUNER, EDITOR.

THE DUNN MINE, n Mecklenburg County, has been allowed to fill with water, for reasons that are hard to conjecture, for the ore is of a fair milling grade.

FRAZIER MINE.

Work at the Frazier mine, in Mecklenburg County, is unchanged, but as the option is not far from expiring, the explorations are not pushed with the vigor desirable; the ore thus far mined has been of a superior character, and is free milling.

STRELE MINE SOLD.

It is reported that Mr. John T. Cration. He realized for the cotton, forty- mine, located in Montgomery County,

CAPPS HILL MINE

also in Mecklenburg County, is filled with water, owing to legal matters, and not on account of lack of ore; and it is reported that it is to be opened soon. This is encouraging, for it is and only needs capital and deep work to show something good.

THE RUDISILL MINE

superintendents, bosses and miners were employed when work is resumed that more satisfactory results may be expected.

HAILE MINE.

THE BREWER MINE,

Mineral Explorations in Iredell.

ASHEVILLE, N. C., Sept. 28th, 1885.

DEAR SIR:-I now proceed to redeem furnish you some account of my visit to

The general topographical features of May 19, 1885. the country are rather tame, being made up of low ridges, grooved and sculptured cotton circles here. Mr. J. D. Gaskill, into an uneven surface, but nowhere bold for several years engaged in buying, and abrupt. Indeed, I did not see anywill continue as usual. He has always where, a bold and well defined outcrop people of this County. See advertise- will also be a buyer this season. Mr. Hornblendic Gneiss—which enabled me bought the largest and best selected stock people is expected to be here soon, and of country. Saved Her Life

RIDGE, MCINTOSH Co., GA. DR. J. BRADFIELD-Dear Sir: I have takenseveral bottles of your Female Regulator for falling of the womb and off er dileases combined, of sixteen years standing, and I really believe I am cured entirely, for which please accept my heartfelt thanks and most profound gratitude. I know your medicine saved my life, so you see I cannot speak too highly in its favor. I have recommended it to several

> Yours very respectfully, MRS. W. E. STEBBINS.

CONVULSION, FITS, ect., are frequently caused by an army of worms gnawing, gnawing, gnawing night and day, eating the vitals away. Shriner's Indian Vermifage is a safe and cheap remede.
