### North Carolina's Record.

Either progress in North Carolina i leading in the general progression of the South, or her citizens are more prompt to avail themselves of the opportunity given by the Baltimore Manufacturer's Record for letting the world know what is going on within her borders. The last week's issue of that valuable journal contained nearly ten columns relative to this State. It is doing a great deal to advertise this State and should draw a large patronage from it.

Gambling at Fairs.

The Maine Farmer is down on the gambling concerns which are so often permitted to have a place on the fair grounds, state and county, and very righteously too. The directors of many of these institutions are composed, in position, fathers of families, and mem- L. Holmes, and others.

#### Diphtheria From His Patient.

Worcester, Mass., Nov. 16 .- Dr. George 0. Warner, of Leicester, died last evening of malignant diphtheria, after a five days' illness. The disease was contracted from patient, a fragment of diseased membrane falling out on the doctor's mustache during an examination. It was removed, but this was of no avail. Dr. Warner had practiced medicine in Leicester for 20 years, and was widely and times as many miles of railroad since the favorably known.
