HEALTH AND LONGEVITY.

SAL-MUSCATELLE A POSITIVE, NATURAL

Sick Headache and Dyspepsia Cure.

Sal-Muscatelle is nature's own product. It supplies to the system the want of sound, ripe grapes and fruit; it is the simplest and best preventive and cure for all functional derangements of the liver and its kindred aliments; prevents the absorption of malarial diseases—fevers of all kinds; counteracts the effects of bad air, poor drainange and impure water; a powerful exydizer of the blood; a natural specific for all skin eruptions, sick headache, billousness, nervousness, mental depression, and will remove the effects of accidental indigestion from excessive eating and drinking. Have it in your homes and on your travels. It is a specific for the fagged weary or worn-out.
