#### Our Rail Road Schemes.

Col. Risley of the Smithville and Bristol railroad is here. The surveyors of the line are within the county, near Gold Hill, and are coming in this direction. He says that the road will be built, regardless of the Yadkin road. but he does not promise that it shall come to Salisbury, unless the people do their part.

Now to be reasonable, it would seem that since the Yadkin is under contract to be built, and since it is nothing more or less than a perfect link in the proposed line from Smithville to Bristol,
