Carolina Watchman. THURSDAY, APRIL 14, 1887.

Incendiaries.

There was two fires in Charlottee, Sunday morning last, in widely separated parts of the city. The two houses neither case was large; but the promptness of the fire companies prevented it.

Effect of Earthquake.

A correspondent at Alligator, N. C., notes the fact that since the earthleast 8 inches lower than before. The same effect has been noticed at Wil- Manufacturer's Record, Baltimore, the mington; but the Star corrects a mis- former for \$2.50 the latter at \$3.00 per apprehension by saying that the tides remain unchanged in elevation, but that the earth in that part of the coast where the apparent fall of the tide has occurred, was raised by the earthquake, its former level.

Powderly on the Anarchists.

if and unmistakably against the manded. W. W. Bays, pastor of the their grievous sin. methods of the Chicago anarchists. church, occupies nearly five columns He congratulated his audience on the in the Citizen, of Asheville, in vindicaresults of the late Chicago election, in tion of himself and church, and in arwhich the anarchists were badly de- raigning the Doctor on his charges. feated. He also denounced sham legislation, by delegates for the purpose of nature, Leing neither more nor less gaining the votes of the Knights, but than that the church in Asheville has for whom they had no real concern. ignored the distinction "South" in the In another speech at night he declared name of the church, and by that that the Knights stand clear of means has received into its memberanarchy, and that as true Americans ship northern people who would not they were in favor of all legitimate have joined the church had the word actious to promote the welfare of the laboring people, &c.

Extensive Railroad Robbery.

The railroad men in the Pennsyl-Tania company's system, principally in the Pittsburg, Cincinnati and St. Louis division, were startled on Monday morning last by officers who came **npon them armed with warrants for** heir arrest. It seems the company
