Alexander and may pracding the should be interested in the New Railroad. It will double the value of property, and an anow wearing yours. tically lose a year's labor.

It has been observed of late that for the sower."

The following special dispatch was sent to the Charlotte Observer, Monday sue of that paper :

SALISBURY, N. C., May 2.-Mr. E. B. Neave, the Democratic nominee, was elected Mayor of Salisbury by a loss of 133 votes.

It is easy to jump to conclusions without being sure you are right. Besides, it saves time and for present purposes is as good as the truth to those who proceed in that way. But the reported Democratic loss of 133 is utterly without foundation as figures will easily show. To make this aping elections be seen :

1883. J. A. Ramsay, for Mayor, Republican. John F. Ross, Democrat,

Ramsay's majority,

1885. E. B. Neave, Democrat, J. A. Ramsay, Republican,

1887. E. B. Neave, Democrat,

J. H. Ramsay, Republican, 274 Now where is the "Democratic loss!" Instead of a loss the Democrats have steadily increased their vote, to-wit: 259-815-820. The boot is on the other leg; for these figures show in the in consequence of erroneous registration, so that it was not a test of their party strength. But the elections of 1888 and 1887 were hotly contested
