tests.

For "worn-out." "rike-down," debilitated school teachers, milliners, scanistresses, house-keepers, and over-worked women generally, Dr. Pierce's Favorite Prescription is the best of al. restorative tonics. It is not a "Curo-all," but admirably fulfills a singleness of purpose, heing a most potent Sweifer for all those Chronic Weaknesses and Diseases peculiar to women. It is a powerful, general as well as uterine, tonic and nervine, and imparts vigor and strength to the whole system. It promptly cures weakness of stomach, indigestion, bloat-ing, weak back, nervous prostration, debility and skeeplessness, in either sex. Favorite Pre-scription is sold by druggists under our post-tive guarantee. See wrapper around bottle. **Price \$1.00**, or six bottles for \$5.00. A Suprising Improvement.

We are in a position to state that the county of Durham will shortly produce startling economic improvement in the matter of fuel combustion and the heating of steam boilers. Protection has been obtained for the invention, and in the course of a short time we shall be in a position to lay before our readers the practical details. In the meantime we can only in the most me is distorted out of shape event general terms foreshadow the nature of the results attainable. The cubic bulk a fuer that with nenceforth be required for marine steam engines will be reduced by 70 per cent., giving a gain to the extent indicated by that proportion to the stowage space for cargo in ocean going steamships. The time for rais-The descent af a balloon in a remoti ba-kwoods settlement is almost inverse. ing steam will be diminished in all steam boilers stationary or marine, by at least two-thirds. The cost of fuel msumption will b resured by more nan one-had, and the production of moke will be abso arely annihilated. he process has been mule the subject of actual experimental demonstration. Every test has been applied. The results we have given above are the understated consequences of experiments in the under circ instances the reverse the invention.-Lng-

and Remorse to a preat political party in 1889. The three P's, when signifying Dr.
