Is This What Ails You? Do you have dull heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; eyes weak, watery and inflamed; ringing in the ears, deafness, hacking and coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; voice changed and nasal twang; breath offensive; smell and taste impaired; is there a sensation of dizziness, with mental depression; a hacking cough and general debility? If you have all, or any considerable number of these symptoms, you are suffering from Nasal Catarrh. The more complicated your disease has become, the greater the number and diversity of symptoms. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption and end in the grave. No disease is so common, more deceptive and dangerous, or less understood, or more unsuccessfully treated by physicians. The manufacturer of Dr. Sage's Catarrh Remedy offers, in good faith, a reward of \$500 for a case of this disease which they cannot cure. The Remedy is sold by druggists, at only 50 cents.

Please read: "I consider Scott's Emulsion the remedy par excellence in Tuberculous and Strumous Affections, to say nothing of ordinary colds and throat troubles."—W. R. S. COXSELL, M. D., Manchester, O. "I am using your Emulsion Cod Liver Oil with Hypophosphites for an affection of my throat, and the improvements were beyond my expectation."—D. TAYLOR, M. D., Coosawattie, Ga.
