Capt. Theo. Parker has been assigned to and is now performing the duties of ticket agent at the depot. A good appointment.

The storm on Monday night threw the telephone wire down across the street. Very dangerous for buggies, &c., passing

ally. Let it be built this Fall.

Salisbury was represented at the big in the person of Mayor Neave, Theo. F. Kluttz, Esq., L. H. Foust and others.

Mr. Hill's select school for boys, it will be seen elsewhere in this paper, opens and needs no commendation from us.

The Masonic pic-nic, held at Mocksville last week, for the benefit of the Orphan Asylum at Oxford, was largely attended, and the proceeds satisfactory.

Masters Herman and Paul Heilig, sons of our popular townsman Jno. G. Heilig, returned from Wilmington on Tuesday night, where they have been spending sometime with relatives.

There is no market in the State, that, for an abundance of things to subsist apon, will excel ours. We have everyhave, and more besides.

Mr. Alex. Kluttz, of Monroe, lost his youngest son (10 months old) with dysentery, on Monday. Mr. Kluttz was reared in Salisbury and has many friends here who sympathize with him in his bereave-

Dr. John Whitehead has been indis posed for several days to the extent of being unable to attend to his practice. When sickness attacks a good doctor the community considers it a calamity, and

The tobacco manufacturers here are ever-run with orders for goods, and in tobacco, the working capacity of all the another season begins.

Franklin township, from the sale of Jones' lock up, anyhow? watermelous, canteloupes, roasting-ears, beans and other vegetables, brought to market here, will more than pay the taxes for 1887 in that township.

hundred guests on Sunday.

"Nau U. Donet!" is the gist of one of T. F. Kluttz's stories on a court crier in our court who was a little deaf. He was told by a lawyer to call Tobas Brown. Going by the sound of the name the caller rushed to the window and with his highest pitched called out "Thomas Cowan, Thomas Cowan, Thomas Cowan!" And looking round at the lawyer said, "Don't answer." In a rather sarcastic manner the lawyer answered-"Now you've done it !" The crier took the remark for the name of another man and for further orders.

Business has been a little slow this week, except in truck trading. Persons who wish to buy goods at low prices could not come to town at a better time. The lateness of the season and the near is a large quantity of it. approach of Fall make merchants eager to sell even at cost, many of the goods which must soon give place to new stocks.

In an affray between two negro waiters at Connelly Springs last week, a rock was thrown which accidentally struck Mrs. Sarah J. Halliburton on the side of the head and face knocking her senseless. It was thought at first that she was dangerously hurt, but last report says that she is doing very well. The negro who threw the rock is in jail at Morganton.

Mr. T. A. Lyon, an active worker in mines of the State. the interest of Tobacco raisers, is now in this county collecting material to be worked up in a pamphlet for the use of raisers of the "weed" in Rowan. He There will be a good crop of turnips will solicit advertising to fill several pages of the book, and so identify it with the general business of this community

> and other counties. President Cleveland will pass this way en route to Atlanta in October. We would like for the old man to stop over and see a-body for a few days, or even a week. He would be welcome. But, of course, he will stay no longer than the cars stopat the depot, and we will have to content ourselves with seeing him fly past us. We have never heard a soul say he would vote against Cleveland again since he was inagurated March, 1885.
