Instead of returning to and cheers were some of the ways in his home and friends full of happiness which the people gave expression to to relate what he had seen and heard at their respect for the Chief Executive of the Fair, his lifeless body was sent to detected at Pattsburg, Pa., so wel

### Very Probable.

Prof. Pierce of Harvard University has been gathering the facts in relation to the mortality among graduates of college. He brings out the important which will put them in connection fact that it is not hard study that kills. That the excess of deaths for the first ten years after graduation is found in that portion of the class of inferior scholarship. He shows that dissipation contracted at college is the cause of early death, and not hard study. High living, a plenty of "smashes" make war upon every function of the body, far more certainly than hard study. Thanks to Prof. Pierce for his labors in bringing out so important and instruc-

THE MIGHTY DOLLAR! --- The many have too few and the few too many.

have the pleasure to announce a new departure—the location of an agency in New York city for the purchase and selection of our stock in order to enable us to quote lewer prices than others who buy on long time and ask big prices in these days of panic and Our Agent has instructions to watch every sale and every failure; to look after every house on the verge of bankruptey and ruin, and with cash in hand to buy the lump or in the lot, every class of merchandise that we can get at less than its value, so that we can mark in plain figures on our bargains prices that have not been named or quoted in this market or any other.

Not by favor, but by merit alone, will we maintain and increase our unrivaled reputation, Big prices will not do in these times when even the wealthy connot afford to waste their money and the poor require double duty

of every doller and every penny. As our prices change with every sale, it will be impossible to give prefations, but it will be our aim to name figures that will compel you in self delease

We shall deal in goods and not trash, and believe the masses will patronize that ouse that sells the best goods for the least money, Among our daily arrivals we shall place before our people some landside that are positively beyond the whisper of competition, comparison or monopoly-prices that will teach you in the silent logic of truth the difference between dealing with five and

with dead men - between the cash and the credit system-between the right and the Hence we throw out among the masses these specialties -these matchless souls and matchless prices, to check the insane and criminal practice of waisting money for the paltry consideration of a little credit. Who can tell the waste of money when you get your goods of houses that buy and

Gold is a good thing-but give us genius and ambition, and then an energy that never tires, a mind that never wanders, an eye that never sleeps, and a nerve chall ever univers, and we will ride rough shod over all the world!

New advanced ideas crowd out the old-pluck instead of luck-cash instead of credit -brains in the place of check-and science and ability beating back and crushing into ablivion these moonshine merchanes with their sough and to mendous long time prices. What is the use of wasting a dollar when you may save it?

Upon our counters will be thrown, day after day, new arrivals at panic prices, from couses that collapsed, others that will go down to-morrow, and still others who below out these sacrifices in vain hope to on live the storm. Erom such sources as these we bay our gools, and the house that wants the trade of the prople must go beyond this a Ivance line, must beat these prices or go dow .- for if there is honor in man, or virge in good goods at low prices, we mean to be masters of the situation—the rive propers who dive down to rock bottom!

We shall offer such unanswerable arguments as no house can match -leaders and pecialties at quotations that no other can offer-stern and stubbern facts that will level your head on the subject of genuine bargains.

Hard luck and ha der times piech some high-toned old credit concerns—they must have money to meet the inevitable note to-morrow-they all know we have the cash he hard and solid cash and a thousand will buy double the value, and we can offergoods at figures away below the regular wholesale jobbers of Brosoway.
