

**A Father's Advice to his Son.**

Never do anything through strife or envy or emulation, or vain glory. Never do anything in order to excel other people, but in order to please God, and because it is His will that you should do everything in the best manner that you can. For if it is once a pleasure to you to excel other people, it will by degree be a pleasure to you to see other people not so good as yourself. Banish therefore every thought of pride and distinction, and accustom yourself to rejoice in all the excellencies and perfections of your fellow creatures, and be as glad to see any of their good actions as your own. For as God is as well pleased with their well-doings as with yours, so you ought to desire that everything that is wise, and holy, and good, may be performed in as high a manner by other people as by yourself. Let this therefore be your only motive to all good actions, to do everything in as perfect a manner as you can, for this only reason, because it is pleasing to God, who writes all your actions in a book. When I am dead, my son, you will be master of all my estate, which will be a great deal more than the necessities of one family require. Therefore as you are to be charitable to the souls of men, and wish them the same happiness with you in heaven, so be charitable to their bodies, and endeavor to make them as happy as you upon earth. As God has created all things for the common good of all men, so let that part of them which is fallen to your share be employed, as God would have all employed, for the common good of all. Do good, my son, first of all to those that most deserve it, but remember to do good to all. The greatest sinners receive daily instances of God's goodness toward them: He nourishes and preserves them that they may repent and return to Him; do you therefore imitate God, and think no one too bad to receive your relief and kindness, when you see that he wants it.—William Law.

**Wise Words.**

Live up to your engagements. Never be idle, for work prevents poverty. Good character is above all things else. It is better to be nobly remembered than to be nobly born. Do not be guided by the impulse of the moment, but by your best cultured judgment. Let friendship gently creep to a height; if it rush to it, it may soon run itself out of breath. Men love to hear of their power, but have an extreme disrelish to be told of their duty. The wise prove, and the simple confess, by their conduct, that a life of employment is the only life worth leading.

**Brace Up.**

You are feeling depressed, your appetite is poor, you are bothered with headache, you are fitful, nervous, and generally out of sorts, and want to brace up. Brace up, but not with stimulants, spring medicines, or bitters, which have for their basis very cheap, bad whisky, and which stimulate you for an hour, and then leave you in worse condition than before. What you want is an alternative that will purify your blood, start healthy action of Liver and Kidneys, restore your vitality, and give renewed health and strength. Such a medicine you will find in Electric Bitters, and only 50 cents a bottle at Kluttz's Drug Store.

**Their Business Booming.**

Probably no one thing has caused such a revival of trade at Kluttz's Drug Store as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.

**Abolish the Tax.**

A man the other day while chewing a cud of fine plug, unexpectedly came down upon the tin tag in his mouth which he had left upon it, drawing the blood from his gums. As he expected the chaw, he exclaimed that he was in favor of the tacks being removed from tobacco.

**Suit Yourself.**

but there is no other remedy for sick headache, dizziness, constipation, biliousness, or to restore a regular, healthy action to the liver, stomach and bowels, equal to those reliable little "Pleasant Purgative Pellets" prepared by Dr. Pierce. Of druggists.

**What is this Disease that is Coming Upon Us?**

Like a thief at night it steals in upon us unawares. The patients have pains about the chest and sides, and sometimes in the back. They feel dull and sleepy; the mouth has a bad taste, especially in the morning. A sort of sticky slime collects about the teeth. The appetite is poor. There is a feeling like a heavy load on the stomach; sometimes a faint, all gone sensation at the pit of the stomach which food does not satisfy. The eyes are sunken, the hands and feet become cold and clammy. After a while a cough sets in, at first dry, but after a few months it is attended with a greenish-colored expectoration. The patient feels tired all the while, and sleep does not seem to afford any rest. After a time he becomes nervous, irritable and gloomy, and has evil forebodings. There is a giddiness, a sort of whirling sensation in the head when rising up suddenly. The bowels become costive; the skin is dry and hot at times; the blood becomes thick and stagnant; the whites of the eyes become tinged with yellow; the urine is scanty and high colored, depositing a sediment after standing. There is frequently a spitting up of the food, sometimes with a sour taste and sometimes with a sweetish taste; this is frequently attended with palpitation of the heart; the vision becomes impaired, with spots before the eyes; there is a feeling of great prostration and weakness. All of these symptoms are in turn present. It is thought that nearly one-third of our population has this disease in some of its varied forms.

It has been found that physicians have mistaken the cause of this disease. Some have treated it for a liver complaint, others for kidney disease, etc., etc., but none of these kinds of treatment have been attended with success; for it is really constipation and dyspepsia. It is also found that Shaker Extract of Roots, or Mother Seigel's Curative Syrup, when properly prepared will remove this disease in all its stages. Care must be taken, however, to secure the genuine article. IT WILL SELL BETTER THAN COTTON.

Mr. John C. Hempstall, of Chulafirmee, Cleburn Co., Ala., writes: "My wife has been so much benefited by Shaker Extract of Roots or Seigel's Syrup that she says she would rather be without part of her food than without the medicine. It has done her more good than the doctors and all other medicines put together. I would ride twenty miles to get it into the hands of any sufferer if he can get it in no other way. I believe it will soon sell in this State better than cotton.

**TESTIMONY FROM TEXAS.**

Mrs. S.E. Barton, of Varner, Ripley Co., Mo., writes that she had been long afflicted with dyspepsia and disease of the urinary organs and was cured by Shaker Extract of Roots. Rev. J. J. McGuire, merchant, of the same place, who sold Mrs. Barton the medicine, says he has sold it for four years and never knew it to fail.

**SHE WAS ALMOST DEAD**

I was so low with dyspepsia that I was not a physician to be found who could do anything with me. I had fluttering of the heart and swimming of the head. One day I read your pamphlet called "Life Among the Shakers," which described my disease better than I could myself. I tried the Shaker Extract of Roots and kept on with it until to-day I rejoice in good health. Mrs. M. E. Tinsley, Bevier, Muhlenburg Co., Ky.
