MINING DEPARTMENT.

T. K. BRUN R EDITOR, RALEIGH, N. C.

Mr. R. H. Lyon, of Green, N. C., owns scriptural quotation. "To the law and to the testimony," is his motto. He lime-which is a very fine quality. This has logic in his sermons. He is lawyermaterial is useful as a fertilizer of soils. like in his love of and quotation of It enters into the composition of grasses, precedent, and his precedents are drawn from the "Word," as he always calls Some of these plants will not thrive in the Bible. He is a Bible scholar, and soils entirely free from this material. It has it at his finger's end. His illustrations are apt and striking, sometimes ludicrous. Like all men who be- this deposit should be utilized in some lieve a solemn truth solemnly, he is in way at once.

W. B. Crews, of Oxford, Granville county, has determined to get a diamond drill for exploring certain coal deposits in that county. Lignite has been found there on the surface, and when it was attempted to sink pits for exploring, it was found that the red sandstone proved too strong and that mode of search was abandoned. This led to the determination referred to and the result will be
