The Negro Voters.

Few people pause to think how great-ly the Republican party, a party which has never carried the country by a ma-jority of its votes, is dependent upon the negro vote.

now the Republican party has been tion between his prison cage and the control in National affairs.

ing the vote of the Southern States in and exhaustion. its behalf. In this it has been greatly Anderson must be a man of remark- the revenues, however derived, exceed mistaken. The negroes help it in re- able courage and endurance. On his this amount, they should be reduced, so

Look at Pennsylvania for illustration of the balance of power wielded by the negroes. Less than ten years ago the negro voters of that State numbered 17.000. The difference between the Republican and Democratic parties in the State is about 20,000 votes. these 17,000 negro votes which are cast regularly for the Republican candidates were transferred to the Democratic side the State would be a Democratic instead of a Republican State.

Why Harrison Should be Elected. Winston Sentinel.

He wears a ruffled shirt. Is known as "Kid Glove" Ben. Was a good soldier. Lives in Indiana. Is the son of his father. Is the grandson of his grandfather. Is a good lawyer.

The Value of Will-Power. New York World.

The value of will-power was strikingly illustrated in the case of John Anderson, the man who was released

last Sunday from the well in which he A paper under control of negroes ed-ited by negroes tells the truth in a re-cent issue in these words: "It is a fact for percent have nor have nor the story of cent issue in these words: "It is a fact few persons have per-haps, realized, that without the support of the African brother the Republican party could carry but nine States in the Union, viz: Kansas, Maine, Massach-usetts, Minnessota, Nebraska, Oregon, Pennsylvania, Vermont and Rhode Is-land, a total of 82 electoral votes, leavland, a total of 82 electoral votes, leav-ing to the Democrats twenty-nine Stat-es, casting 319 votes;" Soll between times and scandals which at-nicate with them, finding in the pres-ence of a Hy on the sixth day the first orders.
