Massachusetts, Rep. Boston gave Cleveland 10,000 maj., but the republicans gain two Congressmen in this State.

Travelers Killed by a Band of Negroes.
CHARLESTON, W. Va., Nov. 2.—Information has been received from Mercer county that on Sunday last four white travelers on a highway were attacked by a band of negroes. Two of the travelers were shot and their bodies robbed of \$500. The other two men, William Henderson and John Johnson, escaped and went to Branwell, the county seat of Mercer, where they gave the alarm. Fifty men at once went in pursuit, but up to yesterday had been unsuccessful, as the outlaws took to the mountains in the neighborhood of the Kentucky line.

Collision Between Detectives and the Hartfield-McCoy Gang.
CHARLESTON, Nov. 2.—Kentucky detectives and the West Virginia contingent of the Hartfield-McCoy gang collided last Monday, and the result was that the detectives arrested Ellison Mounts and a man named Chambers. The latter was shot in the hand and escaped, but not until he shot one of the detectives in the arm. Mounts was clubbed and fruitfully beaten before he was subdued. He was taken to Pikeville, Ky., and lodged in jail. The detective who was shot is named J. W. Napier.

Earthquake Shock.
MEMPHIS, Tenn., Nov. 3.—Quite a perceptible earthquake shock was felt here this morning at 3:50 o'clock. People asleep in the upper stories of buildings and residences were considerably alarmed. Its duration was only a few seconds.

Mecklenburg county astonishes us with a Democratic majority of 1,050.

The Returns.
NEW HAMPSHIRE.
Concord, N. H. Nov. 7.—New Hampshire elects the Governor and Legislature to-day, besides the Presidential electors and Congressmen.
Concord, N. H., 7 p. m., Nov. 6.—Indications at this hour are that Harrison has carried the State, and that Goodell, Rep., has been elected Governor. That the Republicans have carried both congressional districts, defeated McKinnis, dem., and have secured both branches of the legislature.

SOUTH CAROLINA.
Charleston, S. C., Nov. 6.—In South Carolina besides the Presidential electors, there were elected all State officers, half of the Senate and all of the State House of Representatives. There was no Republican State ticket nor had that party any county or legislative ticket except in Beaufort where there was no local Democratic ticket and Berkeley. In the seventh district Robert Simons (colored Republican) ran as independent candidate for Congress against Elliot (Dem.) and Miller (regular Rep.) and in this district the fight was the warmest.

OHIO.
Columbus, Ohio, Nov. 6.—At half past 1 o'clock this afternoon Judge Thurman and his son Allen W. Thurman alighted from a coupe at the polling place of the 6th ward and cast their ballots for the Democratic ticket. Owing to rain, the course was driven up within a few feet of the window and without assistance the Judge walked across the pavement and handed in his ticket, which he had ready folded in his hand.

GEORGIA.
Atlanta, Ga., Nov. 6.—The weather throughout Georgia is beautiful. A light vote is being polled in Atlanta and the indications point to the same vote throughout the State.
Augusta, Ga., Nov. 6.—All the Democratic delegations in Georgia will be elected to Congress.

RHODE ISLAND.
Providence, R. I., 3:30 p. m. City vote with one ward lacking was: Harrison, 5,364; Cleveland, 3,999; Fisk, 394. Four years ago it was at this hour: Blaine, 7,617; Cleveland, 3,388; Scattering 286.

MASSACHUSETTS.
Boston, Nov. 6.—One hundred and fifty towns give Harrison 48,520, Cleveland 37,755. Same towns in 1884 gave Blaine 38,420, Cleveland 28,425. Every Republican Congressman elected in Massachusetts except one, and Republican gain of two Congressmen.

ALABAMA.
Montgomery, Nov. 6.—Scattering returns have been received from different points in Alabama—and they are sufficient to show a solid democratic delegation to Congress.

FLORIDA.
Jacksonville, Nov. 6.—The Democratic and Republican parties had full tickets in the field this year, including nominations for Presidential electors, Congressmen, State and county officers, except in the first district, where Davidson, Democratic candidate for Congress, was unopposed. While the Prohibition party nominated electors, the party has no organization made up of canvassers. The gubernatorial candidates were Francis P. Fleming, Democrat, and V. J. Shipman, Republican. The canvass has been seriously interrupted in the northern and eastern portions of the State by the yellow fever, but has been quite vigorous in the South.
A New York Herald bulletin says: Republicans and Democrats both claim Connecticut. The Democrats claim it by 1,400 and the Republicans by 3,000.

ILLINOIS.
The New York Herald says the Democrats concede Illinois to Harrison, but claim Palmer's election to the governorship.
Chicago, Nov. 6.—Two hundred precincts in Chicago give Harrison 39,318, Cleveland 32,044. Fifer, rep., for Governor 30,636, Palmer, dem., for Governor 36,465.
KENTUCKY.
A Herald bulletin says: Kentucky has gained one Democratic Congressman.
Speaker Carlisle is re-elected by a handsome majority.

Let Us All Give Thanks to God.
WASHINGTON, Nov. 1.—A Proclamation by the President of the United States:—Consider the thanksgiving and gratitude are due from the American people to Almighty God for His goodness and mercy, which have followed them since the day He made them a Nation and vouchsafed to them a free government. With loving kindness He has constantly led us in the path of prosperity and greatness. He has not visited with swift punishment our short-comings, but with gracious care He has warned us of our dependence upon His forbearance, and has taught us that obedience to his holy law is the price of continuance of all that God has in His loving-kindness bestowed upon us as a Nation, and to the prayers and praise of a grateful country may reach the throne of grace, I, Grover Cleveland, President of the United States, do hereby designate and set apart Thursday, the twenty-ninth day of November instant, as a day of Thanksgiving and Prayer, to be kept and observed throughout the land.
On that day let all our people suspend their ordinary work and occupations, and at their accustomed places of worship with prayer and praise, render thanks to God for all His mercies, for the abundant harvests which have rewarded the toil of the husbandman during the year that has passed, and for the rich rewards that have followed the labors of our people, in their shops and their marts of trade and traffic. Let us give thanks for the peace and for the social order and contentment within our borders, and for our advancement in the arts that add to national greatness.
And mindful of the afflictive dispensation with which a portion of our land has been visited; let us while we humble ourselves before the power of God, acknowledge His mercy in setting before us to the deadly march of the pestilence, and let our hearts be chastened by sympathy with our fellow countrymen who have suffered and who mourn. And as we return thanks for all the blessings which have been received from the hands of our Heavenly Father, let us remember that He has endeavored upon us, and on this day of thanksgiving, let us generously remember the poor and needy, so that our tribute of praise and gratitude may be accepted in the sight of the Lord.
Done at the city of Washington, on the first day of November eighteen hundred and eighty-eight, and in the year of Independence of the United States, the One Hundred and Thirtieth. In witness whereof, I have hereunto signed my name and caused the seal of the United States to be affixed.
GROVER CLEVELAND.
By the President:
T. F. BAYARD, Sec'y of State.

Train Robbery.
NEW ORLEANS, Nov. 3.—The U. S. Express Messenger on the train of the New Orleans & Northeastern Railway, which arrived here this morning at 7 o'clock, was robbed at 5 a. m. between Lacey and Derby stations, fifty miles from this city. Express officials decline to state the amount of the robbery, but it is understood the loss is between \$40,000 and \$50,000.
Between the stations above named the robber entered the express car, where Henry McElroy, baggage master, was sitting on a chest near the middle of the car, and expressed messenger Charles Louvey was at one end, checking off freight. The robber came first to the baggage master, presented a pistol and required McElroy to hold up his hands. Quickly throwing a sack over McElroy's head, the robber gave his attention to the messenger, who was required at the point of a pistol to open the safe. A sack was placed by him over the head of the messenger, while the robber proceeded with the work of securing the money, both McElroy and Louvey being required under threat to hold up their hands. After securing the contents of the safe the robber pulled the bell-rope, the train then being near Nicholson station, forty-five miles from this city. When the train stopped he left it unobserved. The conductor did not know why the train stopped, and on starting forward to ascertain, found the rear end of the coach next to the baggage car locked, and the key left in the door on the outside. When the express car was finally reached, both McElroy and Louvey were found standing with their hands up and sacks over their heads. They were under the impression that the robber was still present. Only one robber was seen by Louvey.

PIANOFORTE TUNING, FOR SALISBURY.
MR. OWEN H. BISHOP (pupil of Dr. Marx, Professor of Music at Berlin University, and Monsieur Benozet of Paris) has come from England and settled close to Salisbury; and is prepared to tune, regulate and repair Piano-fortes, Organs and Pipe Organs. Having had fifteen years' practical experience in England, Ladies and gentlemen, who wish their musical instruments carefully and regularly attended to, may rely upon having thorough and conscientious work done if they will kindly favor O. H. B. with their esteemed patronage. Living near town, no traveling expenses will be incurred, and therefore the terms will be low; viz: \$2.50 per annum; full tune, occasionally, or \$6 for three tunings; in one year. Please apply for further particulars by postal card or note left at this office.
N. B.—Schumann says: "It is the falsest economy to allow any piano-forte to remain un-tuned, as it ruins both instrument and ear."
