Well, they are very fine potatoes, and we wish every farmer in the county had plenty and to spare equally as good.

As the severity of winter approaches there will be destitution and suffering in our town which our citizens, who are well attended in the country, being held | charitably inclined, are anxious to relieve. The great difficulty often to be met is, who are the really needy? Imposition is accompanied by Miss Winona Crawford often practised and charity improperly bestowed. The young Men's Christian Association are willing to do all they can in the South, when considered from the in the proper bestowal of the benevolent Stand-point of population. #### Facts Worth Knowing.

In all diseases of the nasal mucous membrane the remedy used must be nonirritating. The medical profession has been slow to learn this. Nothing satisfactory can be accomplished with douches, snuffs, syring, astringes, or any similar application, because they are all 'rritating, not thoroughly reaching the affected surfaces and should be abandoned as worse than failures.
