"Your reference to the bantering Heifer, any kind, J'M Harrison 1st p. style of doing business calls up many Best fatted cattle, J M Harrison 1st p. funny reminiscences," said an old mer-Boar, thoroughbred, J M Harrison | chant. "I must tell you of one occurrence that took place in a neighboring country store. The proprietor was noted for being particularly affable and Sheep, thoroughbred, J M Harrison obliging to his customers and he had a clear headed and smart young man for clerk. One day one of the best custo mers of the concern called to buy a dress pattern. The price was 75 cents. and after a long talk the clerk closed the bargain at 70 cents. While the clerk was selecting the trimmings, &c. in another part of the store, the genial proprietor came along rubbing his hands, inquired after the family of the customer, praised her taste in selecting that particular piece of goods, and as a special favor to the customer, let her have it for 68 cents per yard. The clerk returned and the lady told of the reduction the proprietor had made. The clerk was furious, but not in the least disconcerted. He saw that if the dollars. customers thought that he was selling higher than others in the store they D C Bradshaw 21 p. would avoid him and his discharge

> " I just looked at the bill and can sell you that piece at 65 cents a yard. "When the deal was completed the S A Lowrance 1st p. proprietor was as langry as the clerk. "Do you know that I made the price 68 cents?' said the proprietor. J L McConnaughey 2 p undersell me in this store.

"He kept his job."-Utica Observer.

Stamps from the Slot.

An ingenious machine was exhibited to Postmaster General Dickinson shortly before he retired from office, and if it should strike his successor as favorably as it did him may be in general width of two stamps, and these slips are wound around a cylinder inside the machine. A nickel is placed in the slot, which drops down, starts an cylinder to revolve, the slip of stamps glides along and passes under a row of needles, which drops down and cuts off

"The owner of the nickel waits a few seconds after his money disappears and then shoves down a metallic button, and two stamps make their appearance to an aperture in the lower part Baltimore News.

Insolence Rebuked.

said to another on the opposite side of the table, "I beg pardon, sir, but will 1st you kindly pass me the salt cellar?" "Humph!" said the other insolently "Do you take me for the waiter?" The first diner made no reply, but calmly called, "Waiter!"

1st asked him what he desired.

Large Cows and Little Milk.

The Farmers' (Irish) Gazette says: The Talm Longings and Hopes Which The dairyman who buys a big cow, giving a little mess of milk, for the sake of having heavy weight as a basis which we commit all our lives long, for beef at the termination of her use- more or less. As children it was the There were other exhibits too nu-fulness, is like a manufacturer who actual moon we wanted-the pale, buys a big steam engine for doing a silver crescent, or the golden harvest little work, for the sake of having a moon that we could see shining so fac heavy weight of old iron to sell when above us in the clear sky from our the engine is done with. The waste of nursery window. So far above usl of the big cow warm, and the waste of of most of our wishes in childhool, as steam in keeping hot the needless iron The Prince of Monace, who has just and there is a striking similarity between the old iron in a worn-out eneight and a half square miles of terri- gine and the beef in a worm-out cow.

The editor also gives the following to see it in its proper place, shining sons, all titled nobles in their own reasons why the last milk drawn from placidly above, and our wendering right. His principality is defended by the udder is the richest in cream: Be- fancy leads us in a roving search after cause, he says, it is at the top of the will-o'-the wisps and newer lights. cers and men, and his people, besides bag when milking begins, but follows Sometimes one hears of a man wasting enjoying aristocratic titles, are exempt down as the milk is drawn out.
