#### Bill Arp.

"Time and chance happeneth to them

"The door keeper will take the word," In a thousand ways w have to take our chances in this sublunary life, but there is no good reason for taking work. chance in the Louisiana lottery.

The first man who fell beneath the man would'nt think of such a thing if he based his chance on facts and figures. His chince to draw \$5 the boxes at the right of the stage and about one in one hundred, and to draw vatching the proceedings. \$100 about one in a thousand, and "The word, brother?" he asked sug-

ng to order.

ror the capital prize one in a half a milion. Fut he bases his hopes on gestively. good luck or to fate or de-tiny, and all Sub-treasury," replied the newspaper this is four ded on conceit. He has no man

c'ear id a on the subject, but has a dreamy, superstition that fate has p cked him out for her favors and will was pushed gently to the center of the stage. Meanwhile the doorkeeper callgiv him a prize this time.

Bat fgures don't lie and changes al the attention of the order to the can be calcuated with as much stranger he had found within the certainty as the motion of the stars. gites. "Mr. President and gentlemen, The best lecture I ever heard in college he said, "here is a brother without the was from Professor McCoy on the word.

to the street.

regularity of irregular things. wheel of fortune is not going to drop a praize to a man becaus he needse it, or because of his faith or his hope or his conceit. I was runniating over this becaus I have received a letter from a good, fond, yearning mother, who wishes me to invest \$5 for her in the Louisiana tottery. She had a dream that she would draw a prize and this would enable her to give her only childa first class education. She was very poor, and the letter was written with trade. Noticing a large crowd collecttears, but I knew that she would loose that money, and so I declined her request. The good spirit don't send dreams that encourages lotteries, and bad spirits would make us believe a

This lottery business is a terrible drain upon the poor, and Beauregard and Early know it They have stifled their consciences and sold their honor for money, and Louisiana is fattening upon the in quity.
