Boys School.
The Episcopal Convocation of Charlotte has proposed to buy the Harrison school for a boys boarding school. The school will subscribe \$1,300 towards the purchase money. We ought not to miss this chance. Several gentlemen have subscribed liberally. Mr. J. S. McCubbin, Jr. and Rev. Dr. Murdoch have been appointed to arrange this matter with the trustees of Dr. Murdoch, W. E. Holt, J. C. Buxton, of Winston, and J. K. Pennington, of Morganton and W. A. Smith of Ansonville. Do not fail to contribute at once.

A Man Boiled Alive.
DENVER, N. Y., Nov. 1.—At West Point yesterday, a number of men were engaged in butchering hogs on a farm. One of the hogs, when Charles Thompson, losing his balance, fell into a cauldron of boiling water. When taken out he presented a fearful appearance, the flesh dropping from his body. He died after several hours of terrible agony. He was 25 years old.

War on the Knights.
LYNN, Mass., Nov. 1.—This Rhoads of Lynn, a Worcester manufacturer, who had not his old help, has to do with 167 hands in accordance with a resolution adopted by the National Manufacturers Association; that on Nov. 1, all Knights of Labor should be discharged. These men refused to sign a paper renouncing their allegiance to the Order, and at 11 a. m., they were sent off, and told to go. Rhoads was well enough pleased to last several months, and he will remain idle for a while, and then start as a free shop.

Glasgow's Solid Boom.
GLASGOW, Va., Nov. 3.—Hon. Wm. A. Anderson, who recently returned from London, has been admitted to the board of Directors of the Rockbridge Land Improvement Co., to-day the final contract with responsible parties in London for an investment of one million and a half dollars in the stock of the company. The contract was ratified by the Board, ending a long negotiation which has extended over many months. With the exception of Middleborough, Ky., this is the only place in this country in which English capitalists have become so largely interested. The Board also ratified contracts for facilities which will soon give to Glasgow an additional population of 10,000.

Edison After Nickel.
OTAWA, Ont., Oct. 31.—Thomas A. Edison, the Wizard of Menlo Park, is the latest American who has turned his mind to the Sudbury nickel district. The inventor has bought thousands of acres near Sudbury, in various sections of which the outcroppings of nickel is very promising. Mr. Edison's expert, confirmed the opinion of the geologists that the rich Canadian nickel belt, which runs through the mining district in the world. The Edison people claim to have discovered a process by which the nickel ore can be treated very inexpensively, leaving a large margin of profit. Mr. Edison has also examined various ores, the product of which will be used for electrical purposes.

A Smart Negro Fooling With An Electric Light Wire.
PITTSBURG, Oct. 31.—A special from Denning, Pa., says: A horrible accident occurred in the Edgar Thompson steel works last night, which was due to the carelessness of a victim, a colored man named Robert Washington. He had been called by Robert Washington, who was working as a bricklayer's laborer. He was noticed by Supt. Pierce, of the Edgar Thompson Electric Light Company, that Washington had often grasped the electric light wires when the current was turned off, in order to show the men that he was not afraid. He was warned by Supt. Pierce that he would be caught, Pierce had told him several times that he was doing a very foolish thing. Last night at about 10 o'clock, Washington was seen to climb up several steps, and reach out his hand toward the electric light lamp. Some one shouted a warning to him, but he did not heed it. His hand touched the wire and his frame stiffened, and he fell to the floor below dead. Not a muscle moved, and his death must have been instantaneous. His right hand clung to the wire and his left, clinging to the iron rod, had completed the circuit. There was not a mark on the man except a slight abrasion where he had grasped the wire.

DA GOTT LEFT.
It looks as if Cal- for Governor, has at the Republican ticket.

In the County.
We have not the space to give the county returns in this weeks paper as we want to give as much of the general news as possible.
Every Democratic nominee in the county is elected.
Watson's majority is about 1200 and Monroe's majority about 800.

NORTH CAROLINA.
The following specials were sent to the Charlotte Chronicle.
Raleigh, N. C., Nov. 4. Democratic Congressmen are certainly elected in all the districts save in the 2nd and 8th which are doubtful. The State judicial ticket is elected.

40,000 MAJORITY IN NORTH CAROLINA.
Raleigh, N. C., Nov. 4. The indications are that the Democrats will carry the State by 40,000. Large Democratic gains are reported in the Congressional vote in the 3rd, 4th, 5th and 9th districts.

EWART SNOWED UNDER.
Asheville, N. C., Nov. 4. Buncombe gives Crawford, Democrat, about six hundred majority over Ewart, Republican, for Congress. Crawford's majority in Haywood county, one hundred and fifty; Crawford's majority in Swain county, 50; Crawford's majority in McDowell, 200; Crawford's majority in the district not less than one thousand.

IREDELL COUNTY.
Statesville, N. C., Nov. 4. Three townships of this county heard from, give net Democratic gain over 1888, of two hundred and twenty-nine. Price runs far ahead of his ticket. Henderson for Congress, and the Democratic judicial ticket run about together.

EVEN STATESVILLE GOES DEMOCRATIC.
Statesville, N. C., Nov. 4. Statesville, the home of Mott and Evans, has gone in its history. Returns from the county are very favorable.

CATAWBA DEMOCRATIC AS USUAL.

UNION COUNTY LARGELY DEM.
Monroe, N. C., Nov. 4. A light vote was cast. The returns are not in from other precincts, but the county has gone heavily Democratic. Monroe township gives the Democratic State ticket 441, Republican ticket 21; Alexander 443, Norman 28; McLarty, for Senate, had no opposition; Cleary, Democratic for House 420, Hasty Republican, 91.

DEMOCRATIC GAINS IN ANSON.
Wadesboro, N. D., Nov. 4. Wadesboro, Lilesville, Maxvill, and Jonesboro township gives Alexander a majority of 719, Judges and Solicitor, 727; county and legislative tickets, no opposition. Very light vote cast, four precincts not heard from.

COWLES SHORT IN SHELBY.
Shelby, N. C., Nov. 4. Returns from the county are coming in very slowly. Shelby box gives Democratic Judges four hundred majority. Cowles has one hundred and seventy over Faucett. The other officers have no opposition. Durham for Senate, is running badly behind the remainder of his ticket. At present I cannot estimate Cowles's majority with any degree of certainty. The State ticket will have over fifteen hundred.

WILLIAMS CARRIES FORSYTH.
Winston, N. C., Nov. 4. Forsyth gives Baily Williams a small majority over Brower for Congress. Barber for Solicitor carries the district by about three hundred over Settle. The county ticket is badly split. Fulton is elected by a small majority to the Senate. The news from Surry is to the effect that the county has gone Democratic by an increased majority.

ROCKINGHAM SOLID FOR WILLIAMS.
Reidsville, N. C., Nov. 4. Returns from Rockingham county show that H. A. Williams, Democrat, has carried the county by 787. The vote for Solicitor is close, but the general impression that Barber, Democrat, has carried the county by at least 300. The election passed off quietly. The Democrats rejoice over their success.

CALDWELL 500 DEM. MAJORITY.
Lenoir, Nov. 4. Lenoir, Patterson, Lower Creek, John's River, Globe, North Catawba, and Lovelady townships of Caldwell I county, that vote in 1888 for the Democratic ticket, 979, and for the Republican ticket, 479, voted to-day as follows: publicans 513, Price 325; Cowles, Democrat for Congress, 749; Faucette, independent, 367; McCall, Republican 69, Avery and Reid Democrats for Senate 813, Harshaw and Ray Republicans 893, Newland, Democrat, for Solicitor 893, Richmond, Little River, Yadkin valley, Buffalo cove, and King's creek townships which gave a Democratic majority of 295 in 1888, are yet to hear from. The Democrats carry the county with majorities ranging from five to eight hundred.

MORE FROM CALDWELL.
Lenoir, N. C., Nov. 4. Buffalo and Yadkin Valley townships, of Caldwell county, vote Democratic Judicial 91, and Republican Judicial 65; Democratic Senatorial 69; Democratic Congressional 83; and Republican Congressional 61; Democratic Solicitor 109, and Republican Solicitor 61. These two townships voted 95 Democrats and 50 Republican in 1888.

Davidson O K.
Lexington, N. C., Nov. 4. The election here to-day was unusually quiet. A full vote was polled. A Democratic ticket of over sixty-two is made. A. T. Phillips, Democrat, is elected clerk, and the news from other boxes in the county, indicates the election of the whole Democratic ticket.

NORTH CAROLINA.
[Special to The Chronicle.]
Raleigh, N. C., Nov. 5. Wake elects the entire Democratic ticket by a majority ranging from 500 to 800.
Crawford's majority is over one thousand.
Williams beat Brower by 2,600.
Dime has over 4,000.
Nothing definite from Cowles; his majority is estimated at 1,000. The judges estimated at 40,000.

Cowles is Safe.
HIS MAJORITY WILL NOT BE LESS THAN TWO HUNDRED.
Special to the Chronicle.
Lenoir, N. C., Nov. 5. Cleveland, Kincolnton, Gaston, Alexander, Burke, and Caldwell, give Cowles a majority of 1,247.
Ashe and Watauga elect the Democratic ticket by small majorities, and Cowles is reported on good authority to have kept well along with the ticket in both counties.

Allegany and Wilkes are yet to hear from. In 1880, Allegany gave a Democratic majority of 285, and Wilkes, a Republican majority of 541.
Cowles majority will be at least 500 and probably one thousand.
In this judicial district, Newland, Democratic candidate for solicitor, is thought to be elected by a small majority.

In the 36th Senatorial district, Avery and Reid, Democrats, are elected by a good majority.
In the 5th Senatorial district, Gregg, Democrat, is also elected by a good majority.
Caldwell's Democratic majority is the best she ever gave. Our Radical steps down.

Cleveland to Honor Thurman.
Columbus, O., Nov. 4. Mr. Allen W. Thurman has received a letter from ex-President Cleveland in which the latter states that during his visit to this city to attend the "Old Roman" banquet he will be the guest of Gov. Campbell. He also writes that Mrs. Cleveland has decided that she cannot come.

A Hunting Box to Cost \$15,000.
Mr. W. E. Coleman, contractor and builder, and six carpenters arrived here yesterday from New York Clyde Line Steamship Parita. They have come down for the purpose of erecting a shooting box at Town Point on New river for Mr. Thomas A. McIntyre, of New York. The "box" will be a magnificent house to cost in the aggregate about \$15,000. It is to be situated on the bluff of a cape jutting out into New river at the point where that stream is three miles wide.

About thirty men will be employed on the building and it will be completed before the 1st January. It will be Queen Anne style and will be shingled from top to bottom. The roof will be "hip and valley" with heavy projecting eaves, and the foundations will be rock faced with random rubble work. A handsome porch will front the river and the rear of the house will be set off by a port cochon over which will be a photograph and art gallery. There will be fourteen rooms furnished in native woods in oil, for instance one will be in pine, another in cypress, another in oak, another in ash, etc. The floor of each room will be polished and the walls and ceilings will be paneled in wood to match. There will be large open fireplaces with ornamental stone breasts.

The building contain will hot and cold baths, water works and all modern improvements. The water will be supplied from an artesian well.
The house will be eight miles from the nearest point on the Wilmington, Onslow and East Carolina Railroad, and twenty miles from where the railroad crosses the river. Fish and oysters are abundant right at the house, and there are immense long leaf pine forests and bays abounding in deer, bear, turkeys, ducks, quail and many other species of game.

Mr. McIntyre will bring his cook and servants from New York and will occupy the house with his friends during the hunting season. - *Wilmington Messenger.*

An Important Sale.
A few years ago the "Oakland Inn" in Victoria was built by A. and R. U. Garrett, who opened it as a hotel. The hotel was run for one season and the building was afterwards used for school purposes under the name of the Oakland Institute.
A trade was closed to-day whereby ex-Lieut. Gov. Charles H. Steadman, of Wilmington, a brother-in-law of D. C. Waddell, of Asheville, becomes the owner of the property. The price paid was \$102,500.
Mr. Steadman has leased the building to New York parties, who will rent the Inn and open it as a sanitarium, which will be the finest in America. Dr. Neefus, who will have charge, has lately been connected with the Danville Sanitarium in New York; he is a most experienced physician, and thoroughly up on the times. The house will be elegantly and comfortably furnished. Two elevators will be run to accommodate the guests, and a most complete system of all kinds of baths will be put in.
The class of people that this sanitarium will bring to Asheville will be the wealthy, who will add to the ever increasing prosperity of the city.
The Sanitarium will be opened on the 15th of December. - *Asheville Record.*
