crisis or eash, call it by whatever name

in the hands of the few for the oppression of the many-cropping out on every hand. The people have grown alarmed-consternation has siezed all parties, they view with alarm, indignation and horror the dangers and perils which surround this government, as rings and monopolics hence, with danger confronting them or on every hand history, the whole question comes up before people, comes back to the peo

tion of the affairs of this great government. Therefore, the Farmers Alli-
