deluded - the unhappy victim of catarrh in the head. He's been told that it can't be cured. Don't you believe it. It can be, and it -no matter how bad or of how long standing. It has been done for thousands—by Dr. Sage's Caturn Remedy. Other so-called remedies may palliate for a time; this cares for all time. By its mild, soothing, cleansing and healing properties, it conquers the worst cases. Its makers offer, in good faith, a reward of \$500 for a case cf catarrh which they cannot cure. They are able to pay it. Are you able to take it?

The symptoms of catarrh are, leadache, obstruction of nose, discharges falling into throat, sometimes profuse, watery, and aerid, at others, thick, tenacious, mucous, purulent, bloody, putrid and offen-sive; eyes weak, ringing in cars, deafness; offensive breath; smell and taste impaired, and general debility. Only a few of these symptoms likely to be present at once. Thousands of cases terminate in Consumption and end in the grave, without ever having manifested all these symptoms. Dr. Eage's Remedy cures the worst 50 cents, by druggists.

Hon. Jerry Simpson has just returned from a trip through the State of New York where he has been speaking to the people on the principles of the Alliance. He reports the financial situation among the farmers critical; that in the section where he has been fully 80 per cent of the farms are mortgaged for nearly their full value. He says the people are anxious to join the Alliance and engage in this great work of industrial emancipation. His meetings were grand successes, and no doubt will result in much good .- National Economist.

From indications which any man should be able to discover, it is safe to predict that the impending revolution will take more active shape within the next eight months than at any time in the history of the reform movement.
