Each of the above-named papers are re quested to keep the list standing on the first page and add others, provided they are duly elected. Any paper failing to advocate the Ocala platform will be dropped from the list promptly. Our people can now see that papers are published in their interest.

Columbian Exposition,

N. C. DEPARTMENT OF AGRICULTURE, 1 RALEIGH, February, 1, 1892.

Dear Sir:-You are familiar with the intention of the State Board of Agriculture to make an exhibit of the resources of North Carolina at the World's Fair, to be held at Chicago in 1893. Compared with the sums apdisadvantage, yet with the practice of careful economy there is no reason to pediency of embracing this greatest of "That's not be all opportunities, there is no diversity of opinion.

This being essentially an agricultural State, interest hirges on the display to be made in this department. In order to reach all sections of the State in the selection of agricultural products, and thus give all a chance to secure representation and to obtain appeal to you to aid in this work.

seems no reason why this additional selecting United States Senators and distinction should not stimulate a n electing State officers when there is friendly rivalry among the farmers, no choice by the people. It is too bad by the local fairs.

Realizing that premiums may be allotted to some who are unable to donate the successful articles for exhibition at Chicago, I am authorized, if necessary, to purchase such articles, provided not less than one bushel of any of the cereals be taken. Some member of the Committee on Collections will attend the fairs, with this object in view.

Thanking you in sdvance for your efforts in the furtherance of this plan. of co-operation, I am,

Very truly yours, T. K. BRUNKE. Commissioner of Exhibits

North Carolina Congressionally. Senator Vance has introduced a bill in the Senate to pay the administratrix of Thos. C. Tatham, of Valley Town, Cherokee county, N. C., \$3,829.50being principal and interest on a claim of the deceased for services rendered in 1842 as a surveyor in surveying the pre-emption rights of the Cherokee In-

dians in North Carolina. Representative Alexander, of North Carolina, has introduced in the House for the sick. the following bills: Providing for the erection of a monument to the memory of Brigadier-General William Lee Davidson; for the construction of a macadamized road to the national cemetery near Wilmington, N. C., and to

continue the improvement of Town Creek river in Brunswick county, N. C. Representative Williams has presented a petition in the House for a mail route from Greensboro to Genous,

snoring, some one relieved us of one of one that will remedy this at once: our boots. It'll make tough missionary stew-but let her fip.

There is considerable war talk in cents. Billville. Five hundred colonels are calmly awaiting orders to march, and our one live private wants to get out of the dime museum and join the racket; but we're bolding him down.

It's almost as good to be born lucky cents. as rich. In our capacity of justice of the peace, we divorced another couple average price of cotton in N. Y., 27 resterday, and, finding that the woman cents. nad \$20 in her own right, we imposed law to marry her on the spot in order cents. Jimes; W. A. Lindsay, secretary, Thomasto keep the other \$10 in the family.

No lynching this week. Rope out. - Atlanta Constitution.

Appropriate.

Boston Saturday Evening Gazette The members of a certain congregation are still laughing over an episode of last Sunday. Their young minister's engagement to a certain pretty girl named trace in the parish had just been announced after a long time, in which every other pretty girl had thought that possibly she stood a chance of being the favored one, for the young divine was, without meaning it perhaps, a bit of a flirt. He's a dittle absent minded. too, and when the time came to give out the hymn he announced placidly: 'Hymn 89. 'Oh, happy day, that fixed my choice!" A smile dawned on the faces of the young and giddy, which gradually spread until it even reached the deacons as he read:

Here rest, my oft divined heart. * * O happy bond that scals my vows To grace which merits all my love!

Meagre Profits.

Average Deaths Per Day.

The average mortality of the entire human race amounts, roughly speakical Discovery cures the "do 33,000,000 of persons. This makes believes" and the "don't be- the average deaths per day over 91,000, lieves." There's no hesitance being at the rate of 3,730 an hour or 62 per minute of the day and night the year round. A fourth of the race die before completing their eighth year and one half before completing the seventrenth year, but the average duration of life is about 38 years. Not more than one person in a hundred thousand live to be a hundred.-Populur Science.

> John Anderson is in jail in Ohio, and all because fifteen women unanimously claim him as their husband. John evidently did not consider marriage a failure, whatever he may think of it now.

The Two Parties.

Almost every day we read of somebody saying he is a "Jeffersonian Demerat," or a "Lincolnian Republican." If you are the same of either of these statesmen in principle and practice In 1866 we had \$52.01 per capita; you are all right as a citizen and as average price of cotton in N. Y., 73 a partisan. But how many of the leading men of either party follow the teachings and practice of the -illustrious men of days gong, by? Do you suppose that either Jefferson or Lincoln would recognize the party platforms of to-day? Read what a few

statesmen have said: Andrew Jackson said in his farewell address while criticising the national bank: "It openly claimed the power of regulating the currency throughout In 1871 we had \$16.89 per capita; the United States. In other words, i scarce at its pleasure."

O. P. Morton: "There is gathered preposterous acts of bad faith and legalized robbery that ever oppressel :

free nation since the dawn of history." Thomas Jefferson: "I sincerely beieve with you that banks are more langerous than standing armies. Put down the banks, and if this country cannot be carried through the longest war against her most powerful enemy without loading us with perpetual debt, I know nothing of my country-

Salmon P. Chase: "My agency in procuring the passage of the national manking act was the greatest financial mistake of my life. It has built up a nonopoly that effects every interest in he country. It should be repealed. But before this can be accomplished. the people will be arrayed on one side and the banks on the other in a contest such as we have never seen in this country.

Abraham Lincoln: "Monarchy i age from the powers of the people. I would be searcely justified were I to omit exercising a warning voice agains returning to despetism. It is the of fort to place capital above labor in the structure of the government. I bid the laboring people beware of surrenlering a power which they now posses and when surrendered their liberty will
