The WATCHMAN is organ of the Allisace in the 5th and 7th Congressional Districts. circulation than any paper published in

Balisbury. Entered as second-class mail at Sallsbury, N. C.

THURSDAY, FEB. 18, 1892.

NORTH Carolina will be ably represented at St. Louis, next week.

· UNDERCONSUMPTION rather than overproduction is what we have to contend with.

FROM indications some of the wouldbe Presidents of the United States will not be President.

THE public look upon Rowan county our people. as one of the leading Alliance counties. Is it? If not, why not?

REPEAL the homestead, establish the we will all get along better.

will be well.

THE shoe merchant sells shoes, the dry goods man dry goods, the hardware the cotton farmer raise cotton and the grain farmer raise grain?

A BANK recently lost \$600 on gol money that was worn and wouldn't hold out in weight. Greenbacks don't lose any by carrying it in your pocket That is the reason paper money is as good as gold.

Some of the Charlotte papers have stated that arrangments have been perfected for the removal of the WATCHMAN to Charlotte. This is entirely incorrect. The scheme has been discussed, but no arangments have been made.

LAST week Hon. John S. Henderson's revenue bill passed the House. This bill removes many of the obnoxious features of the Internal Revenue system. He has worked hard to get crowned with success,

everywhere. Mecklenburg should use our columns liberally for they are supporting the paper liberally. 800 pounds of flour, 25 bushels of po

Ir you should go into a drug store sell hay and cow peas along with other the farmers will have to raise these things along with cotton and we reckon they will.

# HOW ABOUT IT?

We see that farmers and business men are putting their heads together and suggesting that the cotton acreage be reduced 20 per cent.

We are heartily in favor of this and hope it will be carried out. Supplies of all kinds should take the place of

As many of those who "know just what is the matter" are suggesting that the farmers raise everything they use at home, we further suggest that everybody make their own clothing, shoes own hats, plows, axes, hoe handles, pression trample right, truth and just those important items. - Altiance Trib- visit the last of this week and first of axe handles and everything. This is the advice that the "knowing ones" give, so we suppose there is nothing is ably and persistently championed wrong about it.

# FREE MAIL DELIVERY.

outside of towns is being discussed. It s ems that the scheme is meeting with

hope that it will be done. One thing use the weapons and advantage which is certain it would benefit the farmers of the country, it would be a great here is a lesson for the members of the population own three-fifth of all the convenience and would enable them to Alliance and other soldiers of reform. preperty (including money) could be

The greatest obstacle we see is our wretched public roads. Free delivery wrong buckle on the armor of truth is still offered in evidence of the diin the winter in some sections would and fight without ceasing. Yes fight vine sanction of poverty. #### Seed and Plant Distribution.

From some of the many applications received at the N. C. Agricultural Experiment Station it seems that an impression has got out that the Station Men who contribute money to buy distributes, gratis, seeds and plants of all kinds. This is an error. We never distribute any seeds or plants that can readily be bought from those who deal in these things, but whenever we get plants or seeds that are new and likely to prove valuable to our growers, and that are not commonly on sale, we enleavor to distribute them to those who will care for and report upon there, so On every hand we hear of the issue; far as our stock will last .- W. F Massey, Horticulturist.

# Would Pay for ex-Slaves.
