What Alls Us? MR. Entrong Whith we have sich and send for a physician the first thing he tries to find out is what alls us-what caused our sickness and then prescribes the remedy. Loughy last tried to show what was the cause o our hardetimes and this week I will try to prescribe some remedies. But some will say if God is leading us out we have nothing to do in the matter. But my brother there is where you are mistaken. God does not help a man who will not help himself. We must do our part and God will do his. There was two things the Israelites had to do before they could be delivered. ters bade them go, and they had to prepare themselves for the journey. themselves by force of arms they would have made a failure, but they quietly submitted until- Pharao bade them go. Now we have demanded our political release (through the Alliance demands) and if they are refused. which they no doubt will be time and again, some will be ready to demand them at the point of the bayonet But that will be the greatest mistake of our life. We must wait the slow proto have those domands carried out, and whilst I believe it will be done, yet if of our load and swap off some of our

they were all enacted as laws to-day, work for ten acres, just a day to the tarm labor will bring a sure reward, made up their minds to reform this we would be found in a deep rut with tedions process of cutting and husk- It is worthy of notice, that the ad- government constitutionally. Better cannot get out until we take off some herses and turn off our driver and mount the saddle mule ourselves and then not try to pull square out for foar per cent of the labor is saved. It may ture is the basis of national strength we brake a wheel, but gradually come done with so little labor; but the an- eral support to all who follow it intelliont by any byway. What of the load swer is: It has been done right here.—
can we spare? I think we could spare
Dr. Galen Wilson, in New York Tribrying. I will not go into the statisties to show how heavy it is in the state as it can be done by a more able . The Richmond & Danville Company has left you weak and weary, use Elecpen, but will just say that about sev- have compromised their case with Mrs. tric Bitters. This remedy acts directly enteen or eighteen hundred pounds of Little, of Hickory, whose husband, Rev. on liver, stomach and kidneys, gently every ton is dirt and it is heavy when M. L. Little was killed in the Narrow siding these organs to perform their was treaty-five or thirty dollars a Guage railroad wreck near this place functions. If you are afflicted with sickwe pay twenty-five or thirty dollars a function for it. When every farm has plenty of places on it that cannot be cultivated, it can be utilized and a Smyre of Newton, whose husband, the remedy you need. Largo bottles better fertilizer made, at home, at a engineer John Smyre, was killed on only 50c at Kluttz & Co.'s drug store.

nominal cost. But how are we to get Saluda mountain two years ago has

France Italy and Swaden have be it off? Well that is a question that also been compromised for \$3,500. In is agitating the mind of many of our these cases Judge McCorkle, and Son, between the United States and Great farmers to-day. Well, I am with that George McCorkle, appeared for the Britain, growing out of the Behring just like the whiskey. I believe in plaintiffs and Judge Schenck for the prohibiting it, by legislation, from being railroad. Newton Enterprise. sold, for if it is sold at all you cannot keep some men from using it, and I think if we had that load off we could get along better, and then swap off some of our white horses (cotton) and dismiss our driver (the merchant) for he has been running us too long, and then we can get out by the help, of God and proper driving. But some quit cotton. If you were to swallow poison, a sensible physician would not give you poison as as an antidote, and But some decrays our merchants are good clever ment and we cannot disperse with them; you are right my brother. All I want is to let them run their butiness and we run ours; not ask them to run both, as we have been doing in the past. been doing in the past. They have furnished the brains and the money and we do all the work. They furnish us with the brick and mortar, but still we make the brick and mortar. But one says we towe the merchant and must raise cotton to pay with, as that is our only money

crop. Ladmit it if you raise it as

surplus. We who are so fortunate as to live in the Piedmont belt of North

Carolina, between the Yadkin and Ca-

tawba rivers, have the advantage of a-

good land and as genial a climate as

the sun shines upon. It is a climate

and soil that will grow almost any

thing that man or beast can eat, but

if we were to ruise one crop to the ex-

clusion of all others we would make a

failure, but if there is one thing that

willenot grow to perfection here that

thing is cotton, and yet we made it the cop, hence the necessity of guanc.

Now we have not made our soil nor climate, but it was made by One who cannot err, and we have tried to condent, Dakota; J. H. Turner, secretary- vert it to other uses than for which it if you want to, but suppose we don't want to? Then what is the use of of his cengregation who loved God and State Alliance - Marion Butler, president, back to what God intended us to Ulinson, M. C.; W. S. Barnes, secretary, grow the sooner we will get out of the clutches of the money lords. If Iradell County J. M. Parks, president, after we had planted enough of all the prosperity. Men who are not seeking to rise because my wife gave me such Statesville; M. B. Ramsey, secretary, grains &c., for our own use, if we would public plandits or private preferment; a beating this morning that I am almost suitable for cotton that we could work stead of meeting at the country stores

Now, Mr. Editor, this is no fancy picture, but only what is being done by a few and can be done by us all. and when we ever get out of this old rut of credit, get out of debt which we then have this homestead law repealed and do away with the mortgage business, the morning of our deliverance will begin to dawn ..

JESSY GREEN. Huntersville, N. C., Feb. 8, 1892.

Better Than Husking.

A corngrower of Tompkins count ng corn, and several neighbors will fuss about nothing. probably follow his example. He had an hour. The shelled grain was thrown the two national secretaries are making Behring Sea. on the barn floor, shovelled over a few on the subject. As to Indiana, both of times during two or three weeks, and these innocent youths, Secretaries Prigg then put in bips. The machine carrier and Claypeol, are as loving as two ring was removed, the shredded stalks doves, and it is not generally believed dropped on the floor and were pitched that Bro. Force and myself are playing into a mow. Both horses and cattle tom-cat on the back fence and scratchnow prefer this nicely prepared fodder ing each other's eyes out over the subto the best hay. Apparently, there ject .- C. A. Robinson can be but one possible difficulty in the way of thus treating shock corn every year. There might be a wet fall, when it would not cure well, and the shred- up his mind that the whole secret of ded fedder be apt to mould. But this success is in himself; that is it the They had first to wait until their mas- time barns are usually empty and the He will succeed if he sticks close to his Headache, take Lomon Elixir. fodder could be spread about in sevaral farm as the mechanic does to his shop. If the Israelites had tried to deliver outside.

swer is: It has been done right here. gently. Bulletin.

What is lacking is truth and confidence.

If there were absolute truth on the one hand and absolute confidence on the other, it wouldn't be necessary for the makers of Dr. Sage's Catarrh Remedy to back up a plain statement of fact by a \$500

guarantee. They say - " If we can't cure you (make it personal, please,) of catarrh in the head, in any form or stage, we'll pay you \$500 for your trouble in making the trial."

"An advertising fake," you for us. Funny, Isn't it, how some people prefer sickness to health when the remedy is positive and the guarantee

absolute. Wise men don't put nioney

back of "fakes." And "faking" doesn't pay.

Magical little granules those tiny, sugar-coated Pellets- of Dr. Pierce -- scarcely larger than mustard seeds, yet powerful to cure-active yet mild in operation. The best Liver Pill ever invented. Cure sick headache, dizziness, constipation. One a dose.

join the Alliance?" Of course you can nal failure, and the sooner we ge get quarrelling or quibbling anything about feared their wives to stand up. "In-
