Alliance Notes.

There are but three ways of getting weath. One must either work for it, beg it, or steal it.

Many thousands of men in this country are receiving vast annual incomes. They neither work nor beg. If money was robbed of its interest

drawing attribute, it would lose its power to absorb the wealth produced by productive labor.

"Exploiters" and "promoters" issue bonds and mortgage the future labor of sons of toil. Why should not the people loan capital to labor itself upon

Why should labor, which produces all wealth, grovel in abject poverty and toil for a bare sub-istence, while the drones, who toil not, fare sumptuously and are clod in purple and fine linen?

How can the nation thrive when the people are compelled, by reason of debt, to pay a higher rate of interest for their medium of exchange than the per cent, made by them in the pursuit of their calling? - Exchange.

The real fight to-day is within the lines of hired men. Capital pays some and continues well nue only. He said he had reduced hired men very high salaries for no the tanff on Lose from 125 to 10 cents, other service than to heat down other wilson, N.-C. and if the poor Irish boy whose mother hired men in their wages. - Noncon-

Scarce money means cheap labor; would call at his place he would sell plenty of money means higher prices than were enrolled in the army of him socks at 81 cents per pair. We for labor and its products.
