All About Adam.
Adam missed a great many vexations of spirit that are coming to men of this day.
Adam never had to try and maintain a \$5,000 appearance on a \$700 income.
Adam never had to wear a collar with saw teeth all around the obtrusive edge of it.
Adam never lived next door to a man who was trying to learn to play on an accordion.
Adam never had to fasten one of his suspenders with a shingle nail and the other with a hair pin.
Adam never fell over a rocking chair while groping around in the dark after the bottle of paragon.
Adam never had to "rock the" cradle while he ran across the street to borrow a cup of sugar from a neighbor.
Adam never had his only pair of gum boots eaten up by a dog while he was spending an evening with a friend.
Adam never had to keep the baby while five went out with a determined cast of countenance to reform the world.
Adam never sat up till 5 o'clock in the morning to get the returns from Ohio and to the last learn that the other fellows had carried it.
Adam never got to the depot just in time to see the rear car disappear around the water tank.
Adam never came home at a very late hour from the lodge to discover that he had left his latch key in a pocket of his outer pants.
