The Conference Platform.

The following is a correct copy of the platform adopted at St. Louis by the labor conference:

FINANCE.

1. We demand a national currency -safe, sound and flexible-issued by Spanish. ing corporations; a just and equitable being a wonder to the scientists and means of circulation, at a tax not to puzzle to the common people in general. exceed two per cent, as set forth in the sub-treasury plan of the Farmers' Alliance, or some better system; also, by payments in the discharge of its obligations for public improvements. a. We demand free and unlimited

coinage of silver. b. We demand the amount of circulating medium to be speedily increased to not less than \$50 per capita. c. We demand a graduated income

d. We believe that the money of the treasury should be kept as much as possible in the hands of the people. and hence we demand all National and State revenues shall be limited to the necessary expenses of government, economically and honestly administered. e. We demand that Postal Saving banks be established by the government for the safe deposit of earnings the Bible, eating the apple from onof the people and facilite exchange.

2. Your sub-committee upon the dand plank, beg to submit to your ap proval the following: The land, inciuding all natural resources of wealth. is the heritage of all people, and should not be monopolized for speculative known in that part of the country. should be prohibited. All lands now neld by railroads and other coporations in excess of their actual needs and all ands now owned by aliens should be reclaimed by the Government and held for actual settlers only.

TRANSPORTATION

3. Transportation being a means of defence and public necessity, the Government should own and operate roads in the interest of the people.

a. The telegraph and telephone, like the postal system, being a necessity for the transmission of news, should be owned and operated by the government in the interest of the people.

While some parts of the above ad aress may seem at a mere glance to make partisan political distinctions, yet upon careful study one will clearly composed of chosen apostles of Christ see that it is non-partisan, and further, and that their platform was a divinwill be impressed with the truth of its promises, and the ability of the committee who framed it.
