Every issue had a column in it, headed "Ross' Co people without memories of heroic umn," with a kinky-headed picture of Ross at the top. As a boy I pored over that column in a quandary as to what Ross' negro-blood had to do with his Calvinism; and as to what Brownlow meant by taking so much pains to exhibit the man's lineage; and I wantel to know if all Arminious regarded all Calvinists as niggers; and how if was that my father, who was a good Whig, could be a good Calvinist too.
