LOCAL BRIEFS.
City and Country.
WATSON, LOCAL AND CITY EDITOR.
THURSDAY July 20, 1893.

Two weeks more for great bargains in clothing, at M. S. Brown & Co's.

There is a negro exodus from Winston to Northern cities. Circulars are sent by purported labor bureaus, making the proposition to secure situations for any and all applicants upon receipt of \$2.50. We guess Winston can spare a few of her dinky citizens.

At a meeting of the Y. M. C. A. Friday evening, the resignation of Mr. E. Y. Miller, general secretary, was accepted and Mr. J. K. Coit temporarily elected to fill the vacancy. A proposition was considered to add bath rooms to the attractions of the association, and the secretary was requested to solicit funds for the same.

Little John Taylor, of St. Louis, who is visiting relatives here, was thrown from a runaway horse last Sunday and had his arm broken and face bruised. The horse, after throwing the boy, ran two miles into the country, and coming in contact with a tree, fell down exhausted. It is thought the horse will die. The boy is doing very well.

Mr. T. W. Lingle, of Mill Bridge, this county, a graduate of the class of '93 of Davidson College, has been very sick with typhoid fever at Davidson ever since the first of June. Mr. Lingle graduated with honor, and was entitled to deliver the philosophical oration at commencement, but was prevented from doing so on account of sickness. We are glad to learn that he is able to be out at last, and will be home in a few days.

A teacher's institute for white teachers of this county will be held by Prof. P. P. Claxton, of Asheville, in the court house in Salisbury, commencing Monday, August 7th, and continuing five days. Public addresses on education will be given. All citizens are invited to attend and witness the work of the Institute and hear the addresses. All public school teachers are required by law to attend or certificates will not be given. Schools in session shall be suspended during the session of the Institute.

If the city authorities can afford to pay for one hydrant placed for the benefit of two resident tax-payers, why should they not afford to pay for two more whose benefit would be equally divided between seven resident tax-payers? This is said to be the condition in regard to the much desired hydrants at the west end of Fulton street, mentioned in these columns last week. The city is only asked to place two of the three desired, the citizens outside the corporate limits will sustain all the cost for placing the one other. Some of these good citizens can't see why they should not have them.

We are sad to chronicle the death of Miss Jennie Hart, daughter of A. A. Hart of Woodleaf, this county. She died last Sunday morning at the home of relatives near Mooresville, whither she had gone to make a visit. She died of typhoid fever after an illness of three weeks. Miss Hart was only about 21 years old and was an excellent young lady in every respect. Her death is a sad bereavement to the fond parents, loving brothers and sisters and to her many friends of the entire community. We were personally acquainted with the young lady, and deeply sympathize with the stricken family in their sad affliction.

G. O. Gilead Locals.
Rev. G. O. Wilhoit was here on time last Saturday and Sunday. He invited Rev. Oscar Hayward, of Tennessee, but formerly of this county, to preach in his stead. Mr. Hayward preached an eloquent sermon, to a large, attentive audience.

Mrs. T. S. Williams is visiting in Richmond county this week.

Miss Sadie Wade, of Wadeville, is visiting Mr. Fletcher Burkhead this week.

Mr. John Scarborough, of Erie Mills, threshed wheat for this town last week, and gave general satisfaction to his patrons.

Miss Myrtle Wade, of Wadeville, is visiting friends in town this week.

Mr. G. W. McAulay has the lumber ready to build an addition to his dwelling house and has contracted with Messrs. C. H. McDonald and W. M. Mash to do his work, which they will begin in a few days.

There is some talk of E. J. L. P. Byrd building and moving to town this fall.

The farmers are about through work, and have commenced making cider. Watermelons are very plentiful here this week; they are being sold at 1/4 of a cent per pound.

One day last week a black girl named Lily McKee, while in good health, so far as any one knew, fell dead while walking across the floor. The cause is thought to have been heart disease.

West Evans, colored, lost his wife a few days ago.

Some sections are suffering very badly for rain.

Mr. W. F. McAulay lost two cows last week, and he has others that are sick. He thinks murrain caused their death.

Esq. Byrd has lost one also.

Mr. Thomas Ferguson and Miss Sallie Shore were united in marriage last week.

Rev. K. A. McLeod officiating.

A company has purchased a large body of pine timber of Messrs. Clark and Blue, and they will build a railroad to Troy, the county seat.

Miss Lena Wade, a girl about 18 years of age, has become insane from some cause, unknown to the writer.

Major Beale, of Norfolk, Va., has spent several days in this section for the purpose of buying up timber lands for a lumber company.

Mrs. J. A. Lusk has a cabbage that has 14 well developed heads.

For the first time in the history of the trade every plate glass factory in the United States is closed, and that indefinitely. Fully 10,000 men are idle as a result. The depression is attributed to three elements—over production, a tight money market, and the arbitrary methods of the plate-glass trust. Every plant in the country is now stocked with a large surplus, with no orders.

O. L. Rice, Mendota, Ill., writes: "Have used your Japanese Pike Cure and found it a sure and permanent cure." Sold by Edwin Cutlerell, Salisbury, N. C.

Organ Church Items.

The Woman's Home and Foreign Missionary Society of Organ church, held its fifth annual public meeting last Thursday, July 13th. There were several speakers present. Rev. Mr. Huddle, of St. Peter's church, Rowan county, addressed the society in the morning—subject, "Winning the World for Christ." At noon a sumptuous dinner was spread in the grove, of which all partook heartily. In the afternoon Mr. Robert L. Patterson, of China Grove, addressed the audience—subject, "The Lutheran Church a Missionary Church." Both of these addresses were well delivered and showed much study and forethought. Later in the evening Rev. W. B. Brown, pastor of Organ church, made a short speech—subject, "A Plea for New Members of the Society." Out of 180 female members belonging to Organ church, only 23 are members of the Missionary Society. The treasurer's report showed \$240.92 contributed by the society for five years.

The lumber for repairing Organ church is being delivered. The work will begin next Monday.

Calvin L. Miller is teaching a subscription school at Lower Stone church. Mr. Miller taught at the same place last summer. He teaches a good school that is well patronized.

Mrs. W. R. Brown and children are going to spend the summer in Virginia with her parents. They will start the first of August.

Wheat threshing is the order of the day; the yield is very good both in quantity and quality.

Misses Jennie and Leah Blackwelder, of Mt. Pleasant, were visiting their cousin, Miss Kate Beaver, last week.

Mr. H. A. Holtshouser, theological student of Newton, preached at Lower Stone church last Sunday.

Rev. Paul Barringer, of Concord, has been called to the Lower Stone pastorate. We hope he will accept.

Just Three Weeks Longer AND THE GREAT CLOTHING SALE WILL CLOSE!

LITTMANN & LICHTENSTEIN,
S. Corner Main and Inness Str's, SALISBURY, N. C.

Beets Murders Two Brothers.

KNOXVILLE, Tenn., July 15.—Near Clinton, Anderson county, Tillman and Moses Cox, brothers, were shot and mortally wounded, while at work in the field, by George Beets. No cause can be assigned for the double murder. A posse is now in search of Beets.

Lightning Plays Havoc.

RALEIGH, N. C., July 15.—Last evening in the midst of a furious lightning storm, the dwelling of Sid Green, brother of State Senator Green, at Wakefield, was struck by lightning. In the house were Mr. Green and his wife, and Mr. Purnell and his wife, who were visiting the Greens. Mrs. Green took refuge in the bed and escaped injury. The others in the sitting room were all struck.

Green was badly injured and was entirely unconscious. Purnell's left arm was paralyzed, and the dwelling being on fire, Purnell with difficulty remained conscious. The victims and Green are still unconscious.

They Spoke of Dealing With Him.

WINSTON, N. C., July 15.—The particulars of a sad and unfortunate affair in Davidson county were received here today. P. S. Hinkle, a merchant and wealthy citizen living near Midway, went home intoxicated a few days ago and giving a beating to his wife and children, and kicking her, inflicting injuries which will, in all probability, prove fatal. The action of the British husband created quite a sensation in the neighborhood and as soon as the facts were obtained a band of determined men was organized to lynch Hinkle. It was only the earnest pleadings of a relative that saved Hinkle's neck. Mrs. Hinkle, who has expressed the opinion that she is going to die, asks that her husband not be molested while she lives. A warrant is out for Hinkle's arrest; besides there is strong talk of taking him out and giving him a first-class whipping. If Mrs. Hinkle dies it is the general impression that the husband will be lynched. Hinkle has been abusive to his family for some time. Not long ago he whipped his wife and two daughters unmercifully with a buggy whip.

August Races at Raleigh.

Programmes for the third annual August Race meeting at Raleigh have been issued. The dates are Wednesday and Thursday, August 23rd and 24th. The last August races were extremely interesting, there having as many as eight started in some of the races, but the meeting this year will eclipse anything ever held in the State, both as to the number of horses starting, and as to the speed. Horses that have easily made 2:28 in the last few weeks will be on the track, and the conditions promise to be favorable for having this record considerably lowered. Great improvements will be made in the race track. The turn will be properly graded, and a cushion of good loam will be put on the track to the depth of four or five inches. Other improvements will be made, and when completed the Raleigh race track will be the finest in the South. These races are forerunners of a splendid programme for the next State Fair and are of very general interest, inasmuch as the horse breeding interest is increasing at a stupendous rate in this State. Interested parties should correspond with Mr. Ed. H. Lee, Sec., Raleigh, N. C.

H. Heineman, Milwaukee, writes: "One box Japanese Pike Cure has cured me of a case of 28 years standing, after being treated by New York's best physicians." Sold by Edwin Cutlerell, Salisbury, N. C.

Asheville Female College
