The majority of people die sooner the they should. Evidence of this fact is great they should. Evidence of this fact is grew-ing daily. Waring says: "Disease is not a consequence of life; it is due to unnetwork conditions of living--neglect, abuse, want." Dr. Stephen Smith, on the same subject. "Man is born to health and long life; dis-case is unnatural, death, except from old age, is accidental, and both are preventable by human agencies." This is almost invest-ably true of death resulting from heart dis-ense. Careless over-exertion, interarantic ease. Careless over-exertion, into use of tes, coffee, tobacco, alcoholic stimulants are generally the causes of this difficulty, and indifference to its progress re-sults in sudden death, or long siskness end-ing in death. By the newspapers it can be seen that many prominent and hundreds of persons in private life die from heart disease every day.

If you have any of the following toms : shortness of breath, palpitati ular pulse, fainting and smothering pain in shoulder, side, or arm, ankles, etc., begin treatment immedia heart disease. If you delay, the conse

may be serious. For over 20 years Dr. Franklin Miles the eminent specialist, has made a probund study of heart disease, its causes and cure and many of the leading discoveries in that direction are due to him. His New Heart Cure is absolutely the only reliable remody for the cure of heart disease, as is proved by the sends of testimonials from grateful by thousands of testimonials from gr persons who have used it. persons who have used it. James A. Pain, editor of the Corry, Pa. Leader, states: "After an apparent recovery from there months of la grippe, I fell on the street uncom-scious from heart disease. In one month from that time I was unable to walk arross my room, and my pulse beat from 85 to 116 times a minute. I then used Dr. Miles' New Heart Cure, and et once became stronger. After using siz bottleoff was able to work as usual and walk a mile errory day, my pulse ranging from 68 to 80. Dr. Miles' remedy is not only a preventive but a cure."
