Mr. A. Eady, of Cabarrus county, who has been visiting his brother, Mr. Henry Eady, part of last week and the first part of this week, returned home Tuesday. We were glad to learn that Mr. J. W. Rev. Mr. Parker Dead.
A telegram received in the city this morning announced the death at Mt. Airy, of Rev. T. W. S. Parker, former pastor of the Church street Methodist church, in this city.

Mr. Parker's death was due to a mistake. He had sent to his doctor for five grains of quinine, but at the time the messenger called, the doctor was absent. His son was in the office and volunteered to fill the prescription. It appears that he measured out the required quantity of morphine, instead of quinine. This Mr. Parker took, and when his condition was discovered, he was beyond medical aid. His wife and one child survive. The body will arrive here tomorrow night, and will be interred in Elmwood cemetery, Wednesday.

FOURTEEN KILLED
And Seventeen Terribly Mangled in a Collision.
LONG ISLAND CITY, August 28.—One of the most fearful railroad tragedies that ever occurred in this section happened just after midnight Sunday morning.

The Rockaway Beach train that left at 11 o'clock ran into the Long Island Beach train near Newton, while the latter was just pulling out of the block where it had waited to allow another train to get a safe distance ahead.

The Manhattan train was a special consisting of five cars. Two of these were completely demolished and a third overturned.

The engine of the Rockaway train dashed through the two rear cars and was wrecked, the broken timbers being driven into its boiler and machinery in a frightful manner.

On these broken timbers were emplaced a number of passengers whose sufferings were terrible.

A man left the scene and walked hurriedly to Long Island City for help, but it was an hour before the rescuers, with a number of physicians, reached the scene.

The dead and wounded were extracted and brought to Long Island City, two of the wounded out of the seventeen dying on the way.

There is doubt as to who was to blame. Engineer O. L. Donahoe, of the Rockaway train, says that the tower signals, kept by Keeper Nutt, were set at safety, and the fog was so dense he did not see the train until too late and only had time to shut down brakes, reverse his lever, when he and his fireman jumped for their lives.

The lever was found reversed when the engine was examined.

Keeper Nutt claims that the signals were not set at safety, and this was found to be true today.

Strict investigation is being made so as to place the blame on the proper persons.

He Cut to Kill.
GREENSBORO, August 20.—Found Hiatt a big mulatto negro, made a brutal attack to-day at 12 o'clock upon his wife, Lydia Thompson. Hiatt went to the shanty where his wife was at work washing clothes. Her back being turned toward him she did not notice his entrance until he said: "Lydia, I have come to kill you," and at once grabbed her by her throat and commenced stabbing her. She was covered with cuts, on head and shoulders. There were nine cuts altogether. The physicians in attendance on her took out three pieces of her skull this afternoon and there is no probability of her recovery. Hiatt immediately gave himself up to the authorities, and stated that he hoped he had killed her. His intention was to get a pistol and shoot his wife and then kill himself, but failing to do this he borrowed a common pocket knife with which he did the work. Hiatt and his wife have not lived together for a number of years, as Hiatt was so trifling she would not allow him around. He had threatened her life before, but had failed up to this time to accomplish his purpose.

Zell Zellner, a member of the posse was wounded by a bullet in the hand fired by Thompson just before the latter was killed. Seven negroes were arrested and lodged in jail to await trial.

The Messenger says that 118 unemployed families were fed in Wilmingon last Saturday by contributions made by the citizens.

Rev. Dr. Black, superintendent of the Oxford Orphan Asylum, is quoted as saying that unless money comes in speedily thirty eight of the orphans will have to be dismissed. Contributions this year are few, it appears, and there is pushing need of money. There are now 236 children in the asylum.

W. J. Poythress who up to a short time ago, was an agent of the Singer Manufacturing Co., at Concord, N. C., was tried in the Criminal court at Charlotte last week, convicted, and sentenced to 4 years on the chain gang for embezzling money of the said company.

JACKSONVILLE, Fla., Aug. 11.—J. W. Story a white man employed as woodsman at Herlong's turpentine camp, was found murdered under an oak tree last night on the outskirts of Lake City. He was last seen with a man named Davidson. The two had been taking in the town over Sunday. Story's head was crushed in both before and behind and he lived only a short time. He formerly belonged to Dooley county, Ga.

York, Pa., Aug. 22.—About two hundred disability pensions have been suspended already in York county. This is nearly one-fourth of the whole number in the county. Among the unfortunate is an old man named Topper, a Democrat and a Catholic. Topper celebrated Cleveland's re-election with a keg of beer.

A very serious accident occurred in Goldsboro yesterday just as the train from Wilmington pulled in.

A son of Mr. Will Hunter was riding a bicycle along the street and a man in a sulky was driving rapidly in the opposite direction, both looking at the train, when they collided; the bicycle was smashed all to pieces, and young Hunter was run over by horse and sulky. He was terribly injured, his breast torn open and his leg broken. His injuries are thought to be fatal.

When George Francis Train was on the top rung of prosperity, and before he became cranky, he turned over \$2,000 to his daughter to guard against contingencies. He now receives from her \$12 a week, the sum fixed by himself, \$5 of which he spends for a room and \$7 for board and incidentals. He says if he had another dollar he wouldn't know what to do with it. Train was at one time one of the leading spirits in the great enterprises of the day.

Born in a Coffin.
A dispatch to the Enquirer from Bluffton, S. C., says that Jack Roush, a prominent farmer, charged with poisoning Lizzie Liby after betraying her, narrowly escaped lynching Sunday night, the mob being eluded. Lizzie had accused Roush of her ruin and he was seen to throw a package into her yard, which she picked up. Soon after she died in awful agony. The remains were exhumed and it was found that an eight-months babe had been born in the coffin. Mrs. Roush's first husband died suddenly while Roush was courting her some years ago, but suspicions were quieted.

Brunswick's Appeal.
To the people of the United States: The Brunswick, Ga., relief committee desires to place before the country the actual state of affairs of this place. While there have been three announced cases of yellow fever, and it is hoped there will be no others, the destitution and suffering entailed is as great as if there were an epidemic. Our every avenue of sustenance is cut off, our workshops are closed, our factories deserted, our entire business prostrated, and under the most favorable conditions some time must elapse before a resumption of business. We reluctantly appeal to the generosity of a charitable people to sustain us through the ordeal. The situation has been thoroughly canvassed and the appeal is not promulgated. We are here to stay "come what may." The colored people have issued an independent appeal for aid. The relief funds are not spent in dispensing provisions broadcast, but all who are able to work are given employment at cleaning up the streets.

Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J.
