A CURIOUS CALCULATION.

Around the World 206 Times.

An eminent physician has made a curious calculation in giving the warning of the human heart in mileage. He shows that in a lifetime of 75 years the heart beats 2,900,000,000 times, which, in a continuous stream, would reach around the world 206 times.

Keep in view this constant strain on the heart, and the fact that over-exertion, alcohol and other stimulants, as well as any other that may become affected, refuses to perform its work, and causes death? The fact that the heart is the most important of all organs, and that its failure is the most common cause of death, should be a warning to all who are afflicted with this disease. It is a warning to all who are afflicted with this disease. It is a warning to all who are afflicted with this disease.

IT SUITS ENGLAND

To Have the Hawaiian Queen Restored to the Throne.

SHE WILL REALLY CONTROL HAWAII.

The Old Queen Has Always Been Friendly to the English—One of Victoria's Subjects is the Guard and a Member of the Hereditary.

WASHINGTON, November 17.—There is a generally accepted rumor here to the effect that President Cleveland's policy is to restore the royal family to the Hawaiian throne. According to the story now current this action is the very thing above all others that England most desires. It is an open secret in diplomatic circles that Great Britain wishes to have indirect control of the Hawaiian islands through the future sovereignty of Princess Kaiulani, niece of the queen, and heir apparent to the throne. She it was who made the plaintive appeal to President Cleveland while at Washington last spring.

LOOKS BAD FOR IRWIN.

Now He Denies That He Shot Smith in the Express Car.

KNOXVILLE, Tenn., November 16.—The trial of Henry Irwin, charged with killing young Smith, his confederate in the plan to entrap young Fred Gerding in an attempt to rob an express car, was continued today. The prosecution introduced several more witnesses, whose testimony was strong against Irwin. The sentiment against the fly cop was made more intense by the appearance of the dead man's two sisters on the witness stand. They were dressed in heavy mourning. They testified to a visit Irwin paid to their brother while he lay wounded in the city hospital.

CAPTURED A MURDERER.

He Killed a Man and Ran Off with a Woman and Her Daughter.

JACKSONVILLE, Fla., November 18.—By means of his young colored servant girl, whom he had engaged a month ago, Policeman Fritz captured Charles Sherman, alias Mack Fletcher, who is wanted at Harrovy, Ga., for the murder of Jeff Gore. Sherman pretended to be the girl's father, but she seemed greatly affrighted whenever he appeared, which the officer noticed. He questioned her and she told the story of how Fletcher had killed Gore and run off with her mother and herself, pointing the former to Albany to bring her here. He was at once arrested and at police headquarters confessed his crime. A telegram from Preston said he was the man wanted and that a detective would come for him.

AN UNKNOWN LADY SUPPOSED TO HAVE BEEN BURIED IN THE WRECK.

OPPELA, Ala., November 17.—A wreck which resulted in the death of one man and the injury of thirty-five people occurred on the East Alabama branch of the Central railroad near LaFayette last night about 7:30 o'clock. Ten freight cars, two passenger coaches and a smoking and mail car jumped the track and tumbled down an embankment. A broken rail caused the catastrophe.

HOW A BANK WAS ROBBED.

At the Point of a Pistol the Cashier Hands Over the Money.

WALLA WALLA, WASH., November 15.—Yesterday afternoon three men, without attracting attention, rode into Milton, Ore., and dismounted at the door of the bank of Milton. Two entered the bank while the third stood guard outside and held the horses. President A. Hopson, Cashier N. A. Davis and Assistant Cashier William Hopson were in the bank at the time. The first intimation of the coming of the robbers was when two shots were fired by the intruders before making any verbal demand. Both shots took effect in president Hopson's body, inflicting painful flesh wounds. The revolver was held so close to the head of Cashier Davis that the concussion knocked him down. The robbers then demanded money from William Hopson. He handed them a tray containing \$944. Taking this, they left without attempting to get the cash in the vault. The noise of the shots spread alarm and within five minutes an armed mounted posse went in pursuit, but all trace was lost after a short distance.

KILLED THEM BOTH.

Father and Son Resist Arrest and are Shot Down.

MOUNT PINSON, Ala., November 16.—Joe Smith, aged twenty-four, and his father were shot to death by Sheriff John Hewitt here this afternoon. Deputy Hewitt was shot through the head, and is believed to be fatally hurt. The trouble originated over an arrest. Dr. Green sold a mill to the Smiths; they paid no cash. The contract was that the Smiths should allow Green's old miller, Huffstader, to run the mill until the purchase money was paid. Some time since, the Smiths fired Huffstader and closed down the mill. Green demanded possession. The Smiths refused, and Green swore out warrants, charging the Smiths with trespassing after warning.
